# Tata Motors to get ₹1,600 cr for 30% stake in Tata Tech

Warburg Pincus to also buy 13% from Tata Capital for ₹703 cr

AJAY MODI  
New Delhi, 15 June

Tata Motors, the country's biggest automobile maker by revenue, will get about ₹1,600 crore from the sale of its 30 per cent stake in Tata Technologies to Warburg Pincus, the global private equity entity.

The vehicle maker will be left with a 43 per cent stake. It says this is part of a plan to "strategically monetise" value created. Warburg Pincus will acquire another 13 per cent stake in the same company for ₹703 crore, from Tata Capital.

The deal values Tata Tech at ₹5,300 crore. "Tata Technologies has developed significant engineering capabilities over the years. The partial divestment is part of Tata Motors' plan to strategically monetise part of the value created, while also inducting a valuable partner, together with whom the company can excel in its next phase of growth," stated C Ramakrishnan, group chief financial officer, Tata Motors.

Tata Motors' standalone business (excluding its foreign cash cow, Jaguar Land Rover) reported a loss of ₹2,480 crore in FY17, a surge from one of ₹62 crore in the year ended March 2016. Consolidated profit was ₹7,557 crore, down 35 per cent from ₹11,678 crore in FY16.

Tata Technologies provides engineering services outsourcing, product development, information technology services solutions and enterprise resource management to automotive, aerospace and consumer durables makers and their suppliers, globally. It has 8,500 employees based in 23 countries. Its consolidated revenue was ₹2,714 crore in FY16, marginally up from the previous year. Profit rose 14 per cent to ₹382 crore. It had cash and cash equivalent of ₹829 crore as of end-March 2016. Britain is its biggest market and brings 39 per cent of revenue; America and India bring 27 per cent each.

"We look forward to backing the strong management team at Tata Tech and leveraging our global network and prior experience in engineer-

## STAKE SALE

Tata Motors and its affiliates will continue to hold a minority interest of 43 per cent in Tata Technologies

The vehicle maker says this is part of a plan to "strategically monetise" part of the value created

ing services to help grow the business, organically and inorganically," said Vishal Mahadevia, managing director and co-head of Warburg Pincus India.

Citigroup Global Markets India was the financial advisor to Tata Motors. Tata Capital Investment Banking did this for Tata Capital. The transaction is subject to customary regulatory approvals.

## Resolve staff issues: Maharashtra labour dept

ROMITA MAJUMDAR  
Pune, 15 June

The Pune labour department has directed information technology (IT) services firms, such

as Wipro, Tech Mahindra and Cognizant, to hold talks with employees who have petitioned the government for help alleging that they were laid off. Around 50 former employ-

ees, including those from US IT services firm Syntel and telecom firm Vodafone, had petitioned the labour department in Pune against their employers.

## Amul's turnover grows 18% in FY17

The Gujarat Co-operative Milk Marketing Federation (GCMMF), which sells the Amul brand of products, claimed that it has managed to increase farmers' income nearly four times in the past seven years.

During these years, the GCMMF has more than doubled the price of buffalo milk — from ₹24.30 a litre in 2009-10 to ₹49 a litre in 2016-17 — it procures from farmers. At the

same time, the cooperative's milk procurement, too, doubled during the same period, from 9.09 million litres per day (mlpd) to 17.65 mlpd.

The cooperative's sales turnover increased 3.5 times, from ₹8,005 crore in 2009-10, to ₹27,043 crore in 2016-17. In 2015-16, it had clocked a turnover of ₹22,972 crore.

**NOTICE**  
**Transfer of Equity Shares of the Company to Investor Education and Protection Fund (IEPF)**

**Background:**  
This Notice is published pursuant to the applicable provisions of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 as amended ("Rules").

The Rules, *inter alia*, contain provisions for transfer of share(s), (in respect of which dividend(s) has not been paid or claimed by the shareholder(s) for seven consecutive years or more), to IEPF established by the Central Government.

The Company has sent individual communication to the concerned shareholders at their registered address whose dividends remain unclaimed and whose share(s) are liable to be transferred to IEPF under the Rules. The shareholders are advised to claim such dividend(s) by September 16, 2017. The Company has also made available the complete details of the concerned shareholders whose shares are liable for transfer to IEPF on its website at [www.tatasteel.com](http://www.tatasteel.com). Shareholders are requested to refer to [www.tatasteel.com/investors/shareholding-information/unclaimed-dividends.asp](http://www.tatasteel.com/investors/shareholding-information/unclaimed-dividends.asp) to verify the details of their unclaimed dividend(s) and the share(s) liable to be transferred to the IEPF.

**Shareholders are requested to note that in case the dividend(s) are not claimed by September 16, 2017, those equity share(s) in respect of which the dividends remain unclaimed, shall be transferred to IEPF in accordance with the notification(s) issued by MCA from time to time, without any further notice to the shareholders and no liability shall lie against the Company in respect of the equity shares so transferred.**

Shareholders may note that both, the unclaimed dividend(s) and the equity share(s) transferred to the IEPF can be claimed by them by making an application electronically (Form IEPF-5). Upon submitting the duly completed form, shareholders are required to take print of the same and send the physical copy duly signed along with the requisite documents specified in Form IEPF-5. The physical documents should be sent to the attention of the Nodal Officer, Tata Steel Limited at the Registered Office mentioned below. The Rules and the application form (Form IEPF-5) as prescribed by the Ministry of Corporate Affairs ("MCA") for claiming the share(s)/dividend(s) are available on the website of the Company at [www.tatasteel.com](http://www.tatasteel.com) as well as the website of MCA at [www.iepf.gov.in](http://www.iepf.gov.in).

For any queries on the above matter, shareholders are requested to contact either of the following:

Number 1 MSO in Gujarat\*  
Number 2 in Kolkata & Howrah\*  
Presence across 10 states

\*In 2015, Source: MPA Report

**WE CALL IT THE GTPL RIGHT OF WAY!**

We are a leading regional Multiple System Operator (MSO) in India\*, offering cable television and broadband services. We are the number one MSO in Gujarat and the number two MSO in Kolkata and Howrah. Apart from offering third party content, we also produce and broadcast our own content on our local channels. In 2007, Hathway acquired a 50% share of our business. As of January 31, 2017, our digital cable television services reached 189 towns across India. GTPL Hathway provides cable television signals either directly or through affiliated Local Cable Operators.

GTPL's digital services platform is supported by our owned inter and intra city optical fiber cable network. With a high quality infrastructure network, balanced local and regional content and strong traction on digitization GTPL Hathway is endeavoring to grow its subscriber base in existing markets and enter new geographies.

#Source: MPA Report

The GTPL Hathway Numbers\*\*

- Approximately 6.55 million set top boxes seeded (as of January 31, 2017)
- Approximately 5.69 million active digital cable subscribers (as of January 31, 2017)
- 228, 217 broadband subscribers (as of January 31, 2017) (based on the number of broadband subscribers of our Subsidiary, GTPL Broadband Private Limited; the broadband business of our Company was transferred to GTPL Broadband Private Limited with effect from April 1, 2016).
- Offered up to 285 pan-India standard definition channels and 158 regionally-transmitted standard definition channels (as of January 31, 2017)
- Offered up to 32 pan-Indian high definition channels and 39 regionally-transmitted standard definition channels (as of January 31, 2017)
- Owned and operated 27 channels offering localized content (as of January 31, 2017)
- Right to place the "Gujarat News" Channel on network
- Owned inter and intra city optical fiber cable network of approximately 5,406 kilometers on a consolidated basis (as of January 31, 2017)
- Leased inter and intra city optical fibre cable network of approximately 3,615 kilometres on a standalone basis (as of January 31, 2017)
