## Situation at airports, ports precarious due to scrutiny of Chinese containers

PRESS TRUST OF INDIA  
New Delhi, June 26

**EXPORTERS HAVE RAISED** serious concerns over increased scrutiny of all containers coming from China and Hong Kong at all airports and seaports, including Mumbai, Delhi, and Chennai, saying the move is causing inordinate delay in clearance of import consignments.

They have urged the government to give instructions to Indian customs authorities to fast-track the clearance of these import consignments.

The development assumes significance in the wake of increasing border tensions between India and China. The Indian and Chinese armies are locked in a bitter stand-off at multiple locations in eastern Ladakh for the past six weeks, and the tension escalated manifold after 20 Indian soldiers were killed in a violent clash in the Galwan Valley on June 15.

In a letter to Central Board of Indirect Taxes and Customs (CBIC) chairman M Ajit Kumar, Apparel Export Promotion Council (APEC) chairman A Sakthivel have urged for expeditious clearance of import consignments as undue delay is impacting operations of the domestic industry.

He said that lately, customs authorities are doing 100% examination of goods originating from China, Hong Kong and Taiwan. "This has created undue delay in clearance of imported shipments of inputs which are

mean for manufacture of garments for exports. It is affecting factory operations as inputs are held up at ports and exporters are in fear that they will fail to meet the delivery schedule," Sakthivel said.

He added that as the business is gearing up to get back to the normal after the relaxation of lockdown in India and other foreign countries, such delays in clearing the import consignments from China were adding to the crisis.

The industry, he said, is dependent on several inputs that are domestically not available or as per the buyers' nomination, have to be imported.

So far, such imports were subject to random and partial checks only, he added.

"The situation at all airports and seaports at Mumbai, Delhi, Chennai, Bengaluru, Kolkata, Tuticorin and others is precarious as there is inordinate delay caused on all import consignments which are held up due to 100% open examination by Customs, who are not processing the documents for the shipments originated from China, Hong Kong and Taiwan," he said.

## Bank fraud: CBI searches premises of Ratul Puri, others

PRESS TRUST OF INDIA  
New Delhi, June 26

**THE CBI ON** Friday carried out searches at seven locations including the premises of Congress leader Kamal Nath's nephew Ratul Puri after booking him and his parents in an alleged bank fraud of ₹787 crore involving his company Moser Baer Solar, officials said.

Besides Ratul Puri, former

Independent Director in the company, the agency has booked his mother Nita Puri — Nath's sister — and his father Deepak Puri who were also directors and independent directors in the company at different points of time.

After filing an FIR on a complaint from Punjab National Bank, one of the consortium members which funded the company, the

agency teams swung into action and carried out searches at seven locations including the premises of the Puris in the posh New Friends Colony area

of the national capital, they said.

The searches were spread across Delhi, Noida, Ghaziabad and Annapur (Madhya Pradesh), they said.

Taking into consideration the coronavirus pandemic, the officers wore personal protective equipment braving sultry weather in the capital and Madhya Pradesh, they said.

## SC dismisses anticipatory bail plea of DHFL promoters in Yes Bank money laundering case

PRESS TRUST OF INDIA  
New Delhi, June 26

**THE SUPREME COURT** on Friday dismissed the anticipatory bail pleas of DHFL promoters Dheeraj Wadhawan and Kapil Wadhawan in a money laundering case of Yes Bank being probed by the Enforcement Directorate (ED).

The Wadhawans, now arrested, have challenged the Bombay High Court's May 12 order rejecting their plea for pre-arrest bail.

A bench of Justices Sanjay Kishan Kaul and BR Gavai dismissed a batch of four pleas after senior advocate Mukul Rohatgi, appearing for the Wadhawans, said that he was not pressing his prayer for relief.

Rohatgi said that though he is not pressing for anticipatory bail there are some remarks made by the high court in its order which were unwarranted.

Solicitor general Tushar Mehta, appearing for the ED said that both the accused have been arrested and hence their plea for anticipatory bail becomes infructuous.

After some arguments, se-

nior counsel for the petitioner(s), on instructions does not press for anticipatory bail but he is concerned by some observations made in the impugned order(s) qua the petitioner(s).

"Needless to say, that any observations made in the impugned order(s) are for purposes of anticipatory bail and will not prejudice the case of the petitioner(s) in the trial or any other legal proceedings as may be available to them, the bench said in its order.

The bench dismissed the pleas of Wadhawans as withdrawn. The high court had refused to grant pre-arrest bail to DHFL promoters, noting that their custodial interrogation was required to unearth the conspiracy and modus operandi in the multi-crore scam.

The Wadhawans are in jail after being earlier arrested by the CBI in a separate case related to the Yes Bank scam.

They had moved the high court for anticipatory bail in the money laundering case and another case pertaining to alleged irregularities in the investment of employees' provident fund of Uttar Pradesh Power Corporation (UPPCL).

## Gujarat to develop India's first API park near Bharuch

FE BUREAU  
Ahmedabad, June 26

**WITH A VIEW** to lessen Chinese imports, the Gujarat government is preparing fast to develop India's first Active Pharmaceutical Ingredient (API) park somewhere near Bharuch.

Senior officials of the state industries department are on the hunt for around 2,000 acre of land near Ankleshwar Chemical Industry zone, said a source associated with the process of acquiring land for the project.

Recently, Gujarat's commissioner of Food & Drug Control Administration (FDCA) HG Koshia and vice-chairman and managing director of Gujarat Industrial Development Corporation (GIDC) had a marathon meeting with the top officials of Union ministry of chemicals and fertilizers. They had also made a detailed presentation about the feasibility of API park in the state.

When contacted, FDCA commissioner Koshia confirmed that the state is in advanced stage of preparedness on the nation's first API park. "There are 4-5 other claimant states for the park, but Gujarat is having advantage of ready infrastructure. Bharuch district is having large

number of chemical industries. The district has deep sea effluent discharge as well as state-of-the-art effluent treatment facilities," he said, adding that top Gujarat officials have also submitted detail pertaining to the API park with Department of Pharmaceutical (DoP), which works under Union ministry of chemicals and fertilizers.

The API park project would also get benefit of central government's Product Link Incentive (PLI), said Vinranchi Shah, national vice-president of Indian Drug Manufacturers Association (IDMA).

"Last year, India had imported API worth \$ 4 billion. Of the total API imports, 68% came from China alone. Government of India has identified 53 most used APIs, which would be manufactured domestically," said Shah.

According to him, four decades back (1980s), India used to manufacture most of the APIs but post 1990s China became aggressive in developing huge facilities of API manufacturing by giving relaxation in environment related laws. As a result of it, imported APIs became cheaper than domestically manufactured APIs.
