- (e) the Scheme being sanctioned by the Competent Authority under Section 230 to 232 of the Companies Act, on terms as originally approved by or with such modifications as are acceptable to the Companies; and

Upon the fulfilment of the aforementioned conditions, the Scheme shall become effective on the date or last of the dates on which the certified copies of the order of the Competent Authority sanctioning the Scheme are filed by the Transferor Company and the Transferee Company with their respective Registrar of Companies (whichever is later) ("**Effective Date**").

### 3. **NEED FOR THE SCHEME:**

The Transferee Company is one of the leading global steel companies, with over 100 (hundred) years of experience in the steel sector and is a pioneer of steel manufacturing in India. The Transferor Company is a subsidiary of the Transferee Company is engaged

TATA STEEL LIMITED

in the business of manufacture and sale of pig iron and ductile iron pipes and its manufacturing plant is located at Kharagpur, West Bengal. The amalgamation will consolidate the business of Transferor Company and Transferee Company which will result in focused growth, operational efficiencies and business synergies. In addition, resulting corporate holding structure will bring agility to business ecosystem of the merged entities.

#### 4. RATIONALE AND OBJECTIVE OF THE SCHEME:

- 4.1 The Companies believe that the resources of the merged entity can be pooled to unlock the opportunity for creating shareholder value.
- 4.2 The Companies will be able to share best practices, cross-functional learnings, and utilize each other's facilities in a more efficient manner.
- 4.3 Marketing and distribution network of both entities can be collaborated.

#### 5. SYNERGIES OF BUSINESS OF THE ENTITIES INVOLVED IN THE SCHEME:

The proposed scheme would result in the following synergies:

- (a) **Operational Integration and better facility utilisation:** The amalgamation will provide an opportunity for reduction of operational costs through transfer of intermediary products between companies, better order loads, synergies from sales and production planning across the business.
- (b) **Operational efficiencies:** Centralized sourcing would result in procurement synergies and reduction in stores/ spare through common inventory management. The proposed Scheme would also result in sharing of best practices, cross functional learnings, better utilisation of common facilities and greater efficiencies in debt and cash management.
- (c) **Simplified structure and management efficiency:** In line with group level 5S strategy – simplification, synergy, scale, sustainability, and speed – proposed Scheme will simplify group holding structure, improve agility to enable quicker decision making, eliminate administrative duplications, consequently reducing administrative costs of maintaining separate entities.
- (d) **Faster execution of projects in pipeline:** The growth projects of Transferor Company will be fast tracked by leveraging Transferee Company's technical expertise and financial resources;
- (e) **Rationalization of Logistics Cost:** Clubbing of shipments and rationalizing warehouse/stockyard would significantly reduce logistics and distribution costs for both the companies.

TATA STEEL LIMITED

- (f) **Improving Customer Satisfaction and Services:** The proposed amalgamation would make it easier to address needs of customers by providing them uniform product and service experience, on time supplies, and improved service levels thereby improving customer satisfaction. With common credit management, the customers are expected to be benefited from the channel financing from the combined entity.
- (g) **Sharing of best practices in Sustainability, Safety, Health and Environment:** Adoption of improved safety, environment and sustainability practices owing to a centralized committee at combined level to provide focused approach towards safety, environment and sustainability practices resulting in overall improvement. Further, overall technology maturity can be enhanced by the Companies through unfettered access to each other's information technology applications and systems.

## 6. IMPACT OF SCHEME ON SHAREHOLDERS:

- 6.1 Based on the (a) presentations made by the Registered Valuer and the SEBI registered independent Category – I Merchant Banker and the discussion(s) that ensued thereafter; (b) review of the documents placed at the meeting, (c) Committee's deliberations and consideration of various factors including but not limited to the synergies mentioned in paragraph 5, need for the Scheme, rationale and objective, salient features and expected benefits of the Scheme, the Committee concluded that the proposed Scheme is fair and in the best interest of the shareholders, as the proposed amalgamation is expected to result in economies of scale and consolidation of opportunities, thereby enhancing the value of the merged entity and overall shareholder value.
- 6.2 Further, the Audit Committee noted that, upon the Scheme coming into effect, the Transferee Company shall without any further application, act, instrument or deed, issue and allot 79 (seventy-nine) fully paid-up equity shares of nominal value of Re. 1/- each of the Transferee Company to be allotted to the shareholders of the Transferor Company (except the Transferee Company) for every 10 (ten) fully paid-up equity shares of nominal value of Rs. 10/- each held by the shareholders (except the Transferee Company) in the Transferor Company, whose name(s) appear(s) in the register of members, including register and index of beneficial owners maintained by a depository(ies) under Section 11 of the Depositories Act, 1996 as on the Record Date (as defined in the Scheme).
- 6.3 Given, that the Scheme envisages issue of New Shares by the Transferee Company to the shareholders of the Transferor Company, the Audit Committee also considered the impact of issuance of New Shares on the shareholders of the Transferee Company. After due deliberations, the Audit Committee unanimously concluded that the issuance of New Shares in terms of the Scheme will have no significant impact on the shareholders of the Transferee Company.

TATA STEEL LIMITED

**7. COST BENEFIT ANALYSIS OF THE SCHEME:**

The implementation of the Scheme will involve incurring costs including, administrative/ statutory levy(ies), fees payable to financial/legal advisors, etc. However, the benefits as stated in paragraph 5 – Synergies of Business of the Entities involved in the Scheme, are expected to outweigh costs towards implementation of the Scheme.

**8. VALUATION REPORT AND FAIRNESS OPINION:**

8.1 The Audit Committee reviewed the Valuation Report, discussed the methods of valuation and recommended the Share Exchange Ratio with the independent Registered Valuer and the SEBI registered Category-I Merchant Banker who were present at the meeting.

8.2 Based on the discussions, with the Registered Valuer and the SEBI registered Category – I Merchant Bankers, review of documents including the Fairness Opinion placed at the meeting, the Audit Committee is of the view that the Share Exchange Ratio is fair to the shareholders of the Company.

**9. RECOMMENDATION OF THE AUDIT COMMITTEE:**

The Audit Committee, after taking into consideration the Valuation Report and the Fairness Opinion and based on its discussions with the Registered Valuer and the independent SEBI Registered Category-I Merchant Banker, and after reviewing the documents placed at the meeting, recommended the draft Scheme in its present form for favourable consideration by the Board of Directors of Company, the Stock Exchanges and SEBI.

In order for the Transferee Company to comply with the requirements of extant regulations applicable to the listed companies undertaking any scheme of amalgamation, this report of the Audit Committee may please be taken on record by the Board while considering the Scheme for approval and further authorisations.
