

public notice

It's observed that some fraudulent companies/agencies/individuals are either publishing advertisements in newspapers or approaching people directly to lease them the premise for mobile tower installation in exchange for money. These individuals/companies demand amounts of money to be deposited in their personal/commercial account as advance/processing fees, issue fake cheques towards mobile tower installation, and offer lucrative monthly rent for leasing out the premises.

It's hereby brought to your notice that no such advertisement has been released by Vodafone Idea Limited for mobile towers.

A mobile tower is installed either by Telecom Service Provider or Infrastructure Services Provider as per their licensing/registration conditions. The list of authentic service providers is available on the Department of Telecommunications website: www.dot.gov.in

Any person or entity found fraudulently involved in such activity of using Vodafone Idea Limited's name/logo is liable to be prosecuted under applicable law. Anyone dealing with such companies/agencies/individuals will be doing so at his/her own risk. Vodafone Idea Limited cannot be held responsible for any loss or damages suffered directly or indirectly.

Normal monsoon should help contain food price pressures: Das

PRESS TRUST OF INDIA
Mumbai, May 5

DESPITE ADMITTING TO price pressures both from food items and input prices, RBI governor Shaktikanta Das on Wednesday hoped that a normal Southwest monsoon will have a "soothing impact" on inflation pressures and ruled out any wide variations in medium-term inflation forecast from what was given in April.

In an unscheduled address earlier in the day amidst the raging pandemic, Das said the overall outlook for the economy is highly uncertain and is clouded with downside risks. He offered a slew of relief and liquidity measures to individuals and small businesses apart from a ₹50,000 crore special liquidity window to the healthcare sector.

Noting that retail inflation edged up to 5.5% in March 2021 from 5% in February on the back of a pick-up in food as well as fuel inflation while core inflation remained elevated,

he said inflation trajectory over the rest of the year will be shaped by the pandemic infections and the impact of localised containment measures on supply chains and logistics.

"But even at this time, in the run up to the next Monetary Policy Committee (MPC) meet that will analyse various incoming data which are being monitored by the RBI on a real-time basis, we don't expect any broad variation in our April inflation projection instead we will have to wait for the next MPC statement due in the first week of June," the governor said.

Explaining why he is sticking

to the April forecast, Das said high-frequency food prices data for April from the department of consumer affairs suggests further softening of prices of cereals and key vegetables while price pressures in pulses and edible oils remain and so was the price of petrol and diesel which moderated in April.

But what is more worrisome is the persistence in core inflationary pressures and also the uptick in wholesale inflation as reflected in manufacturing and services PMIs along with rising WPI inflation show a persistence of input price pressure.

The May 12 release of the National Statistics Office will throw more light on inflation developments in April, he said.

"Going forward, a normal Southwest monsoon, as forecast by the IMD, should help contain food price pressures, especially in cereals and pulses and help sustain rural demand and overall output in FY22 while also having a soothing impact on inflation pressures. The build-up in input price

pressures across sectors, driven in part by elevated global commodity prices, remains a concern, though," Das said.

The governor also stressed on the need to help shore up livelihoods and restore normalcy in access to workplaces, education and incomes, and promised to do whatever it takes to achieve that as it did in the first wave of the pandemic last year.

"As in the past, the Reserve Bank will continue to monitor the emerging situation and deploy all resources and instruments at its command in the service of the nation, especially for our citizens, business entities and institutions beleaguered by the second wave. The devastating speed with which the virus affects different regions has to be matched by swift-footed and wide-ranging actions that are calibrated, sequenced and well-timed so as reach out to various sections of society and business, right down to the smallest and the most vulnerable," Das said.

Cabinet nod to free foodgrain under PMGKAY for May-June

PRESS TRUST OF INDIA
New Delhi, May 5

THE CABINET ON Wednesday gave ex-post facto approval to a proposal to distribute monthly 5 kg free foodgrains to about 80 crore PDS beneficiaries during the May-June period under the Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY).

The PMGKAY was announced in 2020 for three months till July and later extended till November to combat the economic impact of Covid-19 on the poor.

In view of the resurgence of Covid-19, the Food Ministry re-implemented the PMGKAY for two months with effect from May 1. The same was approved in the Cabinet meeting on Wednesday.

"The cabinet meeting, chaired by Prime Minister Narendra Modi, has given its ex-post facto approval...for allocation of additional foodgrain under PMGKAY-III for another period of two months — May to June 2021," the government said in a statement.

Make RT-PCR tests available at entry points of all industrial estates: GCCI

FE BUREAU
Ahmedabad May 5

WITH GUJARAT GOVERNMENT extending mini-lockdown till May 12 to break the chain of the second wave of COVID-19, industries have demanded that Reverse Transcription Polymerase Chain Reaction (RT-PCR) test be made available at the entry points of all industrial estates across the state.

Gujarat Chamber of Commerce & Industries (GCCI), an apex body of trade and industry in the state has suggested to the state government to make available RT-PCR kits to Gujarat Industrial Development

Corporation (GIDC)-run industrial estates as well as private industrial estates to conduct RT-PCR tests on large number of labourers and employees working there.

"We have talked to different industrial associations across the state and they are prepared to provide space and volunteers to conduct RT-PCR tests. Big industries can afford to create facilities of different tests related to COVID-19, but it is beyond the capacity of MSMEs and hence we have requested the state government to provide RT-PCR test kits to industrial estates across the state," says Natubhai Patel, president

of GCCI.

GCCI appreciates the state government for allowing manufacturing units to continue operations, said Patel, adding that but at the same time retaining the workforce is the biggest challenge for industrial units due to pandemic situation.

If the RT-PCR test facilities would be available at the entry points of industrial estates, infected people could be isolated and treated properly and in that process industries will also be able to contribute in the government's efforts to break the chain of COVID-19 spread, he added.

PIL in HC against WhatsApp privacy policy; court seeks govt's stand

THE DELHI HIGH Court Wednesday asked the Centre and social media platforms Facebook and WhatsApp to reply to a PIL challenging the new privacy policy of the instant messaging app on the grounds that it violates "informational privacy" of users.

A bench of Chief Justice D.N. Patel and Justice Jasmeet Singh issued notice to the Centre, Facebook and WhatsApp

and sought their stand on the petition by May 13.

WhatsApp told the bench during the hearing that private conversations of individuals are protected by end-to-end encryption.

The petitioner, Harsha Gupta, urged the court for some interim orders as the Facebook-owned WhatsApp intends to bring its policy into

effect from May 15. The court then listed the matter for hearing on May 13.

Senior advocate Vivek Sood, appearing for Gupta, told the bench that under the new privacy policy of WhatsApp the information it collects from users and the way it is proposed to be used, violates their "informational privacy".

Sood said the users were

not being provided the option to deny the collection and/or use of the data for purposes other than that for which the information is sought.

"WhatsApp has offered its users a 'take it or leave it' offer which coerces the users to consent to share their data with third-party companies to use WhatsApp's services," he argued in court.

Cabinet clears strategic disinvestment, transfer of mgmt control in IDBI Bank

PRESS TRUST OF INDIA
New Delhi, May 5

THE CABINET ON Wednesday gave in-principle approval for strategic disinvestment along with transfer of management control in IDBI Bank in line with the Budget announcement earlier this year.

The central government and LIC together own more than 94% equity of IDBI Bank. LIC, currently the promoter of IDBI Bank with management control, has a 49.21% stake.

The Cabinet Committee on Economic Affairs chaired by Prime Minister Narendra Modi approved the strategic sale of IDBI Bank, an official statement said on Wednesday. The extent of respective shareholding to be divested by the central government and LIC shall be decided at the time of structuring of transaction in consultation with the RBI, it said. Finance Minister Nirmala Sitharaman while presenting the Budget 2021-22 had announced the privatisation of public sector banks (PSBs) as part of a disinvestment drive to garner ₹1.75 lakh crore.

"Other than IDBI Bank, we propose to take up the privatisation of two Public Sector Banks and one General Insurance company in the year 2021-22," she said. Insurance giant LIC has completed the acquisition of 51% controlling in IDBI Bank in January 2019.

"LIC's Board has passed a resolution to the effect that LIC may reduce its shareholding in IDBI Bank through divesting its stake along with strategic stake sale envisaged by the Government with an intent to relinquish management control and by taking into consideration

price, market outlook, statutory stipulation and interest of policyholders," the statement said.

This decision of the LIC board is also consistent with the regulatory mandate to it to reduce its stake in the bank, it added.

The statement further said it is expected that strategic buyer will infuse funds, new technology and best management practices for optimal development of business potential and growth of IDBI Bank and shall generate more business without any dependence on LIC and government assistance/funds.

Resources through strategic disinvestment of government equity from the transaction would be used to finance developmental programmes of the government benefiting the citizens, it said.

Earlier in March, the Reserve Bank of India (RBI) had taken out IDBI Bank from the prompt corrective action (PCA) framework, subject to certain conditions and continuous monitoring. The bank was put under the PCA framework in May 2017, slapping curbs on expansion, investments and lending.

IDBI Bank was put under PCA after it had breached the thresholds for capital adequacy, asset quality (net NPAs was over 13% in March 2017), return on assets and the leverage ratio.

Send at least 1 member from each family to Delhi border: Punjab farmer organisations

FARMER ORGANISATIONS OF Punjab, the major force of the Samyukt Kisan Morcha (United Farmers' Front) spearheading the protest against the three farm laws, on Wednesday appealed to the people of the state to send at least one member from each family to Delhi border on May 10 and 12 in batches to join an all-India convention.

Speaking to the media after meeting leaders of 32 protesting unions, Balbir Singh Rajewal said a large number of farmers, labourers, shopkeepers will come on the streets and protest against the lockdown in Punjab.

The general body of SKM, a conglomeration of several farmer unions from different states, will meet on May 7 to chalk out a plan for the all-India convention, he said. Last month, SKM had announced the plan to hold the convention on May 10 at the Singhu border through physical presence as well as via video conferencing.

Rajewal said that the Centre has failed to fight against the corona pandemic, to provide proper healthcare and basic facilities like oxygen, beds and medicines to the citizens.

3 THE CITY

Chaos at some vaccination centres as people arrive before time, break barricades

SANJANA BHALERAO
MUMBAI, MAY 5

CHAOTIC SCENES were witnessed outside a few inoculation centres on Tuesday, the second day of resumption of the vaccination drive against Covid-19 for the 45 and above age group in Mumbai. Inoculation for the age group was put on hold between April 30 and May 3 due to shortage of the vaccines.

Fearing a repeat of another interruption in the vaccination process, citizens started gathering outside the BKC jumbo facility from 8am on Wednesday, resulting in a stampede-like situation. Some people were seen breaking the barricade at the facility—the largest centre in the city, vaccinating 8,000 people daily on an average.

"On Tuesday, by 12pm, over half of the citizens waiting outside the BKC were asked to leave as the vaccine stock had exhausted. I didn't want a repeat of that and that is why I came to the centre before time. Earlier, my appointment for the second dose was cancelled thrice, as the vaccine stock was not available," said 50-year-old Santosh Waghela.

Commenting on the ruckus, Dr Rajesh Dere, incharge of the BKC facility, said, "People were told to come after 12pm since doses were to arrive only in the morning. The local administration and police also appealed to the citizens. However, the crowd gathered before time and started marching in without obeying any request. Once the doses arrived, everything was well managed and vaccination was carried out smoothly."

In a tweet late on Tuesday, the Brihanmumbai Municipal Corporation (BMC) had said the vaccination process for Saturday will begin in the afternoon.

To manage the crowd, separate queues for citizens coming in for first and second doses were set up at the facility. Appointments were mandatory for those coming for the first dose while the second-dose

Vaccination for beneficiaries in the 18 to 44 age group underway at Thane Civil Hospital on Wednesday; (top) people wait outside the ESIS Hospital vaccination centre in Navi Mumbai on Wednesday. Deepak Joshi & Narendra Vaskar

beneficiaries were allowed to avail the walk-in facility.

On Tuesday night, BMC received 1 lakh doses of the vaccine. The civic body had received its last big stock—of 1.58 lakh doses—on April 26. It had then said that the stock will last only three days. On April 28, it received 70,000 doses which lasted for two days.

Municipal Commissioner IS Chahal had earlier set a target of 1 lakh vaccination in a day,

However, due to irregular vaccine supply, BMC has been unable to meet the target. Even though the city witnessed high vaccination numbers on some days—72,606 inoculations on April 27—the average inoculation rate in April hovered over 20,000-30,000.

Out of the 145 vaccination centres, 73 in private hospitals are still shut. On Wednesday, 33,807 citizens were vaccinated. To date, 19.80 lakh citizens in Mumbai have received the first

dose while 5.40 lakh citizens have received both doses.

Meanwhile, vaccination for citizens in the 18 to 44 age group entered its fifth day on Wednesday. Till now, 10,467 citizens in the age group have been vaccinated in the city. The BMC will continue with vaccination in the group at its five centres on Thursday as well, between 9am and 5pm with each centre expected to have 500 doses. However, only those citizens who have registered for the inoculation process and have been allotted a slot by the BMC will be allowed.

Comedian Sunil Pal says '90% doctors evil, fraud', booked for 'public mischief and defamation'

EXPRESS NEWS SERVICE
MUMBAI, MAY 5

THE ANDHERI police Tuesday lodged an FIR against comedian Sunil Pal for allegedly putting out a video on social media last month where he is seen making derogatory comments against doctors.

Pal told *The Indian Express*, "I apologised to those doctors who felt bad by my statement. I am ready to apologise to the court as well. I was only expressing what I am hearing from people around me."

In the video, Pal says, "90 per cent doctors treating Covid 19 are fraud and evil. They are leaving patients by charging heavy fees. I also hear that they steal organs from patients and then kill them. Even those who do not have Covid-19 are given positive test reports by a gang of people. I think all these things need to be inquired as I think it's a big scam.

Please share the video."

According to the Andheri police, an FIR has been registered under Section 500 (defamation) and 505(2) (public mischief) of the IPC against Pal. The FIR was registered by Dr Sushmita Bhatnagar, president, Association of Medical Consultants, Mumbai. "We will be serving him notice and take appropriate action," said Senior Police Inspector Vijay Belge of Andheri police station.

Bhatnagar told *The Indian Express*, "We registered the FIR not only because he abused doctors and made derogatory statements against them but he is spreading rumours that doctors are giving false positive Covid-19 reports...The general public is already scared and the pandemic is raging. Due to such misleading videos, people will get scared even more and will not go to doctors thinking they are trying to extract money from them."

AMBANI TERROR SCARE CASE

Judicial custody of Waze and Kazi extended till May 19

Mumbai: The Special Court on Wednesday extended the judicial custody of suspended Mumbai police assistant inspectors Sachin Waze and Riyazuddin Kazi till May 19. The two have been arrested in the Ambani terror scare case by the National Investigation Agency and booked on charges including criminal conspiracy, murder and sections of the Unlawful Activities Prevention Act.

On Wednesday, an application was moved on behalf of Kazi by his lawyers Hasnain Kazi and Zeeshan Khan, seeking permission to speak to him to take in-

structions from him. It was claimed that Kazi, who is lodged in Talaja central jail, had called his lawyers but the call was disconnected within 5-7 minutes and the lawyers were unable to take detailed instructions.

The plea sought permission to allow them to speak for 20 minutes and the court allowed them 10 minutes. On behalf of Waze, an application was filed seeking clothes and legal books. The court is likely to decide on the plea on Thursday. Apart from Kazi and Waze, the NIA has arrested three more persons who are also in judicial custody. ENS

OFFENSIVE MESSAGE CASE FIR QUASHED

Merely expressing extreme or harsh point of view doesn't make it hate speech, says HC

OMKAR GOKHALE
MUMBAI, MAY 5

THE BOMBAY High Court on Wednesday allowed a plea filed by Navi Mumbai resident Sunaina Holey (39), seeking the quashing of an FIR lodged against her for her tweet on a gathering of migrant workers outside the Bandra station in Mumbai during the lockdown last April. The FIR was registered at Azad Maidan police station on April 15, last year.

The bench noted that the police have failed to show that the tweet led to disturbance of law and order or public order or peace and tranquility. "The right to express one's views is a protected and cherished right in our democracy. Merely because the point of view of the petitioner is extreme or harsh will not make it a hate speech, as it is only expressing a different point of view," it said.

A division bench of Justice SS Shinde and Justice MS Kamik had on January 7 reserved its judgment in the case, which was passed Wednesday. Holey has also filed pleas against being booked by the police for allegedly making offensive remarks on social media against the state government, CM Uddhav Thackeray and his son and minister Aaditya. The HC said it will decide on the pleas separately.

The bench noted that realising the sensitivity of the situation, as a large number of people had gathered near the Bandra station following rumours of train being available for them to return to their native places, the police had asked certain people to address the crowd to pacify them.

It added that while an unknown person made a video of said address, the same was

retweeted by the petitioner, where she also made certain comments. The police went on to book Holey for seeking to create hatred and enmity between Hindus and Muslims by tweeting the video with "offensive message".

Holey was booked under sections 505 (statements conducive to public mischief) and 153A (promoting enmity between different groups) of the Indian Penal Code and the Information Technology Act. Advocate Abhinav Chandrachud, representing Holey, refuted claims that she spread communal enmity while arguing that merely having a large following on Twitter did not make his client a "professional tweeter". He added that the petitioner was under no obligation to avoid a controversial or sensitive topic and even expressing an extreme opinion did not amount to "hate speech".

Noting that Holey was merely expressing her opinion by criticising the member in the crowd who blamed the Prime Minister for the Covid-19 outbreak, the bench said that no offence was registered against the original author of the video that Holey retweeted.

"The concern of state police machinery to control the situation is justified, but the approach in registering FIR on the apprehension that comments made by her led to promoting hatred and enmity is too far fetched and remote," the HC in its 62-page judgment said.

"The tweet in question is only expressing a hostile point of view. The respondent's (police) approach towards the tweet is hypersensitive and over cautious, thereby trying to scent danger in the hostile point of view expressed by the petitioner."

EXPRESS Careers

CORRIGENDUM
Recruitment advertisement – Chief Executive Officer
(1) AI Airport Services Ltd. (2) AI Engineering Services Ltd.
(3) Alliance Air Aviation Ltd.
In view of the current pandemic situation, the last date of receipt of applications has been extended till 17th May 2021 (1700 hrs). Candidates have option to apply through email also.
