13. Members attending the Meeting through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act and as per the terms of the Order of the NCLT. Further, the Order also directs that in case the required quorum for the Meeting is not present at the commencement of the Meeting, then the Meeting shall be adjourned by 30 minutes and thereafter, the persons present shall be deemed to constitute the quorum.
14. In case of joint holders attending the Meeting, the Member whose name appears as the first holder in the order of the names as per the Register of Members of the Company will be entitled to vote at the Meeting.
15. It is clarified that casting of votes by remote e-voting (prior to the Meeting) does not disentitle Members from attending the Meeting. However, after exercising right to vote through remote e-voting prior to the Meeting, a Member shall not vote again at the Meeting. In case the shareholders cast their vote via both the modes i.e. remote e-voting prior to the Meeting as well as e-voting during the Meeting, then voting done through remote e-voting before the Meeting shall prevail once the vote on a resolution is cast by the shareholder, whether partially or otherwise. The shareholder shall not be allowed to change it subsequently.

The shareholders are requested to carefully read all the Notes set out herein and in particular, instructions for joining the Meeting and manner of casting vote through remote e-voting or e-voting at the Meeting.

- e) Dissolution of the Transferor Company without being wound up.

Capitalised terms not defined herein and used in the Notice and this Statement shall have the same meaning as ascribed to them in the Scheme.

A copy of the Scheme is enclosed herewith as **Annexure 1**.

II. Need, Rationale and Benefits of the Scheme of Amalgamation

Need and Rationale:

The Transferee Company is one of the leading global steel companies, with over 100 (hundred) years of experience in the steel sector and is a pioneer of steel manufacturing in India. The Transferor Company is in the business of production and marketing of sponge iron, which is a single end use (steel making) and a single grade product. It has also one of the largest specialty steel plants in India in the special bar quality segment. This amalgamation will consolidate the business of the Transferor Company and Transferee Company which will result in focused growth, operational efficiencies, and business synergies. In addition, resulting corporate holding structure will bring enhanced agility to business ecosystem of the merged entity.

The Transferor Company and the Transferee Company believe that the resources of the merged entity can be pooled to unlock the opportunity for creating shareholder value.

The Transferor Company and the Transferee Company envisage being able to share best practices, cross-functional learnings, and utilize each other's facilities in a more efficient manner.

Marketing and distribution network of both entities can be collaborated.

Benefits and Synergies of business of the Entities involved in the Scheme:

The Scheme would result in the following synergies:

- (a) **Operational integration and better facility utilisation:** The amalgamation will provide an opportunity for reduction of operational costs through better order loads through pooling of orders, improved sales and production planning. Also, the amalgamation will foster maintaining uniform KPIs benchmarks including, consumption of coke, fuel and power, Fe-bearing material, etc. which will reduce overall cost of production and promote efficiencies. Further, culture of sharing of best practices, cross-functional learnings, will be fostered which will promote greater systemic efficiency.
- (b) **Improving customer satisfaction, services, and achieving greater market presence in long products segment:** Proposed amalgamation would integrate all long products businesses under a single umbrella fostering an integrated approach to market. Sales and distribution network will be pooled, facilitating in increasing market penetration. Culture of customer delight will be fostered by transitioning to 'one-face' to customers thereby making it easier to address customer needs by providing them uniform product and service experience, resolving customer complaints, ensuring on-time deliveries, and improved service quality. With common credit management, customers are expected to benefit from the channel financing facility as well.
- (c) **Centralized procurement and inventory management:** Inventory management and sourcing of stores, spares, MRO, and services can be managed centrally which will increase scale of operations thereby improving negotiating power, reducing sourcing and inventory management cost.
- (d) **Efficiency in working capital and cash flow management:** Proposed amalgamation will reduce inventory, improve vendor management, and better monitoring of age profile of creditors, thereby releasing working capital from the system. Further, efficiency in debt and cash management will improve substantially enabling the entities to have unfettered access to cash flow generated which can be deployed for growth and sustenance.
- (e) **Improving raw material security:** Proposed amalgamation will ensure improvement in raw material security for the Companies. Iron ores sourced from the mines of the Companies can be blended appropriately which can enhance overall life of mines of the combined entities.
- (f) **Faster execution of projects in pipeline:** The growth of the Transferor Company will be fast tracked by leveraging Transferee Company's technical expertise and financial resources.
- (g) **Rationalization of logistics costs:** Consolidation and optimization of stockyards could significantly reduce logistics and distribution costs for the Companies. Clubbing of cargoes may help lower shipping costs, port terminal charges and ocean freight.

- (h) **Simplified structure and management efficiency:** In line with group level 5S strategy – simplification, synergy, scale, sustainability, and speed – proposed amalgamation will simplify group holding structure, improve agility to enable quicker decision making, eliminate administrative duplications, consequently reducing administrative costs of maintaining separate entities.
- (i) **Sharing of best practices in sustainability, safety, health and environment:** Adoption of improved safety, environment and sustainability practices owing to a centralized committee at combined level to provide focused approach towards safety, environment and sustainability practices resulting in overall improvement. Further, overall technology maturity can be enhanced by the merged entity through unfettered access to each other's information technology applications and systems.

Cost Benefits of the Scheme

The implementation of the Scheme would involve incurring costs including administrative cost, statutory dues, cost of advisors, etc. However, the long-term benefits are expected to outweigh costs towards implementation of the Scheme.

The Debenture Trustee (for the debentures issued by the Company) has no interest in the Scheme.

Tata Steel Long Products Limited ('Transferor Company'):

None of the Directors, KMPs (as defined under the Act and rules framed thereunder) of the Transferor Company and their respective relatives (as defined under the Act and rules framed thereunder) have any interest in the Scheme except to the extent of their directorship and shareholding, if any, in the Transferor Company. The Transferor Company has not issued any debentures and hence no Debenture Trustee has been appointed.

VIII. Effect of Scheme

Effect of Scheme on Directors, Promoters, KMPs, Non-promoter members, Depositors, Creditors, Debenture holders, debenture trustees, employees of the Transferee Company:

1. Effect on the Directors and Key Managerial Personnel: There shall be no effect on the Board of Directors and/or KMPs of the Transferee Company except to the extent that Mr. T. V. Narendran, Chief Executive Officer & Managing Director of the Transferee Company and Mr. Koushik Chatterjee, Executive Director and Chief Financial Officer of the Transferee Company, currently holding directorship in the Transferor Company, shall cease to be the directors of Transferor Company and except to the extent of the equity shares held (if any) by the KMPs or their relatives in the Transferor Company.

The effect of the Scheme on the interests of the Board of Directors and/or KMPs and their relatives holding shares in the Transferee Company, is not different from the effect of the Scheme on other shareholders of the Transferee Company.

2. Effect on the creditors: Under the Scheme no arrangement or compromise is being proposed with the creditors (secured or unsecured, including debenture holders) of the Transferee Company. The liability of the creditors of the Company, under the Scheme, is neither being reduced nor being extinguished.
3. Effect on the equity shareholders (promoter shareholders and non-promoter shareholders): As far as the equity shareholders of the Transferee Company i.e. both promoter shareholders as well as non-promoter shareholders, are concerned, the amalgamation of the Transferor Company with the Transferee Company will result in dilution of holding of promoter group in the Transferee Company's shares by approximately 0.21% and in turn will increase the public shareholding of the Transferee Company's shares to that extent. There will also

be an increase in the trading stock of the shares of the Transferee Company.

Further, the Transferee Company shall without any further application, act, instrument or deed, issue and allot 67 (sixty-seven) fully paid-up equity shares of nominal value of ₹1/- each of the Transferee Company to be allotted to the shareholders of the Transferor Company (except the Transferee Company) for every 10 (ten) fully paid-up equity shares of nominal value of ₹10/- each held by the shareholders (except the Transferee Company) in the Transferor Company, whose name(s) appear(s) in the Register of Members, including Register and Index of Beneficial Owners maintained by depository(ies) under Section 11 of the Depositories Act, 1996 as on the Record Date (as defined in the Scheme). Thus, the shareholders of the Transferor Company will become the shareholders of the Transferee Company, which is part of both BSE SENSEX and NIFTY- 50 indices, the two most significant stock indices of the country. The issuance of New Shares in terms of the Scheme will have no significant impact on the shareholders of the Transferee Company, except consequent dilution upon issuance of the New Shares.

4. Effect on staff or employees: Under the Scheme, no rights of the staff and employees (who are on payroll of the Company) of the Company are being affected. The services of the staff and employees of the Company shall continue on the same terms and conditions applicable prior to the proposed Scheme.

Further, upon the Scheme becoming effective, the employees of the Transferor Company (“**Employees**”) will be deemed to have become employees of the Transferee Company pursuant to the Scheme with effect from the Effective Date.

All such Employees shall be deemed to have become employees of the Transferee Company, without any break in their service and on the basis of continuity of service, and the terms and conditions of their employment with the Transferee Company, shall not be less favorable than those applicable to them with reference to their employment in the Transferor Company as on the Effective Date.

5. Effect on the Debenture Trustees: The interest of the Debenture holders and the Debenture Trustee of the Transferee Company are not getting impacted by the Scheme.
6. Effect on the deposit holders and deposit trustees: As on date of this notice, the Transferee Company has no outstanding public deposits and therefore, the effect of the Scheme on any such public deposit holders or deposit trustees does not arise.

Effect of Scheme on Directors, Promoters, KMPs, Non-promoter members, Depositors, Creditors, Debenture holders, debenture trustees, employees of the Transferor Company:

1. Effect on the equity shareholders (promoter shareholders and non-promoter shareholders):
- The shares issued by the Transferor Company to the Transferee Company shall stand cancelled in their entirety, which shall be effected as part of the Scheme and not in accordance with Section 66 of the Companies Act, 2013.
 - As far as equity shareholders of the Transferor Company are concerned, the amalgamation of the Transferor Company with the Transferee Company as per the Scheme will result in all such shareholders of the Transferor Company (except the Transferee Company itself), as on the Record Date (as defined in the Scheme), receiving equity share of the Transferee Company in the manner as stipulated in Part II of the Scheme and there will be no change in economic interest of any of the current shareholders of the Transferee Company pre and post Scheme coming into effect.
 - Further, upon the Scheme becoming effective, the Transferee Company shall without any further application, act, instrument or deed, issue and allot 67 (sixty-seven) fully paid-up equity shares of nominal value of ₹1/- each of the Transferee Company to the shareholders of the Transferor Company (except the Transferee Company) for every 10 (ten) fully paid-up equity shares of nominal value of ₹10/- each held by the shareholders (except the Transferee Company) in the Transferor Company, whose name(s) appear(s) in the Register of Members, including Register and Index of Beneficial Owners maintained by a depository(ies) under Section 11 of the Depositories Act, 1996 as on the Record Date (as defined in the Scheme). Thus, the shareholders of the Transferor Company will become the shareholders of the

Transferee Company, which is part of both BSE SENSEX and NIFTY- 50 indices, the two most significant stock indices of the country.

2. Effect on Preference shareholders

Since the total issued and paid-up preference share capital of the Transferor Company is held by Transferee Company, the same shall stand cancelled in its entirety, which shall be effected as a part of the Scheme and not in accordance with the Section 66 of the Companies Act, 2013.

3. Effect on the Directors and KMPs

The Board of Directors of the Transferor Company shall stand dissolved upon the Scheme coming into effect.

Pursuant to the Scheme, the Transferor Company shall be dissolved without winding up and therefore current KMPs of the Transferor Company shall cease to hold their positions and cease to be the KMPs of the Transferor Company.

Further, the Board of Directors and/or the KMPs shall also be affected to the extent of the equity shares (if any) held by them or their relatives in the Transferor Company. The effect of the Scheme on the interests of the Board of Directors and/or KMPs and their relatives holding shares (if any) in the Company, is not different from the effect of the Scheme on other shareholders of the Company.

4. Effect on the creditors

Under the Scheme no arrangement or compromise is being proposed with the creditors (secured or unsecured) of the Transferor Company. The liability of the creditors of the Transferor Company, under the Scheme, is neither being reduced nor being extinguished.

5. Effect on staff or employees:

Under the Scheme, no rights of the staff and employees (who are on payroll of the Company) of the Transferor Company are being affected. The services of the staff and employees of the Transferor Company shall continue on the same terms and conditions applicable prior to the proposed Scheme.

Further, upon the Scheme becoming effective, the employees of the Transferor Company will be deemed to have become employees of the Transferee Company pursuant to the Scheme with effect from the Effective Date.

All such employees shall be deemed to have become employees of the Transferee Company, without any break in their service and on the basis of continuity of service, and the terms and conditions of their employment with the Transferee Company, shall not be less favorable than those applicable to them with reference to their employment in the Transferor Company as on the Effective Date.

IX. Amounts due to unsecured creditors

The amount due to unsecured creditors of the Transferee Company, as on December 31, 2022 is approximately ₹60,670 crore. The amount due to unsecured creditors of Transferor Company, as on December 31, 2022 is approximately ₹1,843 crore.

X. Appointed date, effective date, share exchange ratio and other considerations

1. **Appointed Date** (as defined in the Scheme): Appointed Date under the Scheme means the opening of business on April 1, 2022 or such other date as determined by the Board of Directors of the Transferor Company and Transferee Company or directed/ allowed by the Competent Authority.
2. **Effective Date** (as defined in the Scheme): Effective Date under the Scheme means the date or last of the dates on which the certified copies of the order of the Competent Authority (as defined in the Scheme) sanctioning the Scheme are filed by the Transferor Company and the Transferee Company with the Registrar of Companies, Cuttack and Registrar of Companies, Mumbai (whichever is later) after all the conditions and matters referred

to in Clause 22 of the Scheme occur or have been fulfilled, obtained or waived, as applicable, in accordance with the Scheme, and which filing may be a filing independent of the filing required to be made under Section 232(5) of the Companies Act, 2013 read with Rule 25(7) of the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016.

3. **Share Exchange Ratio:** 67 (sixty-seven) fully paid-up ordinary equity shares of ₹1/- (Rupee one) each of the Transferee Company, for every 10 (ten) fully paid-up equity shares of ₹10/- (Rupees ten) each held in the Transferor Company as on the record date.
4. **Record Date:** Record Date under the Scheme means the date to be mutually fixed by the Board of Directors of the Transferor Company and the Transferee Company, for the purpose of determining the shareholders of the Transferor Company to whom New Shares (as defined in the Scheme) would be allotted by the Transferee Company pursuant to the Scheme.
5. **Details of capital/debt restructuring:** There shall be no debt restructuring of the Transferee Company or Transferor Company envisaged in the Scheme. The capital structure of both the companies has been provided above in the Statement.
6. **Other Scheme details:** Upon the Scheme coming into effect, the equity shares held by the Transferee Company, in the Transferor Company shall stand cancelled.

The preference shares held by Transferee Company in Transferor Company shall stand cancelled.

XI. Summary of Valuation Report and Fairness Opinion

Background:

- a. The Share Exchange Ratio for the Scheme of Amalgamation has been fixed on the basis of the Valuation Report dated September 22, 2022 issued by CA Vikrant Jain, an Independent Chartered Accountant and Registered Valuer. The valuation has been done in accordance with internationally accepted valuation standards.
- b. The computation of fair Share Exchange Ratio is given below:

Valuation Approach	Transferee Company		Transferor Company	
	Value (₹/Share)	Weight (%)	Value (₹/Share)	Weight (%)
Asset Approach – NAV Method	91.6	0	636.6	0
Income Approach – DCF Method	N/A	0	N/A	0
Market Approach – MP Method	106.6	50	622.9	50
Market Approach – CCM Method	107.4	50	818.6	50
Relative Value per Share	107.0		720.8	
Fair Exchange Ratio (rounded off)	6.7			

N/A = Not Applied

- c. In case of Net Assets Value (NAV) Method, the value is determined by dividing the net assets of the company by the number of shares. The underlying asset approach represents the value with reference to the historical cost of the assets owned by a company and attached liabilities as at the valuation date. Since, the business of Tata Steel Limited ('**Transferee Company**' / '**TSL**') and Tata Steel Long Products Limited ('**Transferor Company**' / '**TSLPL**') are to be continued on a 'going concern' basis and there is no intention to dispose off the assets, therefore the Asset Approach has not been considered for the valuation exercise.
- d. The discounted cash flow (DCF) method of valuation derives the valuation of an asset based on the expected future cash flows of those assets. The projected cash flows are discounted with the weighted average cost of

capital to arrive at the value. In the given transaction, the companies have a proven track record of operations, revenues and/or profitability and besides their own share prices, there are adequate number of comparable/ benchmark listed companies which enable a valuation analysis based on the market approach using assets and/or earnings multiples, obviating the need for using the Income Approach. Therefore, for the valuation analysis, Income Approach has not been considered.

- e. Valuation under market price method has been arrived at basis higher of 90 trading days volume weighted average price or 10 trading days volume weighted average price in accordance with the SEBI (Issue of Capital and Disclosure Requirements) Regulation, 2018.
- f. Under comparable companies multiple (CCM) method, the value of the equity shares of a company is determined on the basis of multiples derived from valuations of comparable companies. Following set of companies have been considered basis the sector, similarity in business/ product and size of the company in terms of market capitalization, operating revenue, etc.:

For Transferee Company:

1.	JSW Steel Ltd
2.	Steel Authority of India Ltd
3.	Tata Steel Limited

For Transferor Company:

1.	Jindal Steel & Power Ltd
2.	Sarda Energy & Minerals Ltd
3.	Gallantt Ispat Ltd
4.	Shyam Metals and Energy Ltd

- g. Based, *inter alia*, on the aforesaid, the Registered Valuer has recommended the share exchange ratio as follows:
67 (sixty-seven) fully paid-up equity shares of ₹1/- each of the Transferee Company for every 10 (ten) equity shares of ₹10/- each fully paid-up equity shares of the Transferor Company held by the public shareholders as on the Record Date.
- h. Further, the details of the valuation forms part of the Valuation Report.
- i. Fairness Opinion dated September 22, 2022 is issued by Ernst & Young Merchant Banking Services LLP on the fairness of the share exchange ratio recommended by CA Vikrant Jain, an Independent Chartered Accountant and Registered Valuer for the proposed Scheme of Amalgamation amongst Tata Steel Limited and Tata Steel Long Products Limited and their respective Shareholders.
- j. The proposed Scheme was placed before the Audit Committee and Committee of Independent Directors of Tata Steel Limited at their meetings held on September 22, 2022. Both Committees took into account the recommendations on the fair valuation mentioned in the Valuation Report provided by the valuer and the Fairness Opinion provided by Ernst & Young Merchant Banking Services LLP. Both Committees have recommended the proposed Scheme to the Board of Directors of the Transferee Company.
- k. The Board of Directors of the Company took into account the recommendations of the Audit Committee and Committee of Independent Directors, Share Exchange Ratio provided in the Valuation Report dated September 22, 2022 provided by the Independent Registered Valuer and the Fairness Opinion dated September 22, 2022 provided by Ernst & Young Merchant Banking Services LLP.

Based on the aforesaid, the Board of Directors of the Company came to conclusion that the Share Exchange Ratio provided in the Valuation Report is fair and reasonable and accordingly approved the same at its meeting held on September 22, 2022.
