Termination of definitive agreements executed with HBIS Group to divest majority stake in its South-East Asia business

Mumbai, August 6, 2019: T S Global Holdings Pte. Ltd. ("TSGH") had executed definitive agreements with HBIS Group Co., Ltd. ("HBIS"), to divest its equity stake in Tata Steel (Thailand) Public Company Ltd. ("TSTH") and NatSteel Holdings Pte. Ltd. ("NSH") to a company in which 70% equity shares was to be held by HBIS and the balance 30% by TSGH. The completion of transaction was subject to regulatory approvals.

We have been informed by HBIS that they have not been able to procure the requisite approvals from the Hebei Government, one of the key conditions precedent for the proposed transaction. Both parties have, therefore, decided not to extend the definitive agreements.

Following the above, Tata Steel will immediately begin engagement with other investors in continuation of its strategy to find a partner for the South-East Asian business.

About Tata Steel
