Corporate Governance Report

Company's Corporate Governance Philosophy

Corporate governance is the creation and enhancement of long-term sustainable value for our stakeholders through ethically driven business process. At Tata Steel, it is imperative that our Company's affairs are managed in a fair and transparent manner.

We ensure that we evolve and follow not just the stated corporate governance guidelines, but also global best practices. We consider it our inherent responsibility to protect the rights of our shareholders and disclose timely, adequate and accurate information regarding our financials and performance, as well as the leadership and governance of the Company.

In accordance with our Vision, Tata Steel Group ('the Group') aspires to be the global steel industry benchmark for 'value creation' and 'corporate citizenship'. The Group expects to realise its Vision by taking such actions as may be necessary to achieve its goals of value creation, safety, environment and people.

Corporate Governance Guidelines

The Board of Directors ('the Board') has adopted the Tata Group Guidelines on Board Effectiveness to help fulfil its corporate governance responsibility towards its stakeholders. These guidelines provide for the composition and role of the Board and ensure that the Board will have the necessary authority and processes in place to review and evaluate the Company's operations. Further, these guidelines allow the Board to make decisions that are independent of the Management of the Company.

Board of Directors

The Board is at the core of our corporate governance practice and oversees and ensures that the Management serves and protects the long-term interest of all our stakeholders. We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of corporate governance.

Size and Composition of the Board

Our policy is to have an appropriate mix of Executive Directors ('EDs'), Non-Executive Directors ('NEDs') and Independent Directors ('IDs') to maintain the Board's independence as well as separate its functions of governance and management. As on March 31, 2018, the Board comprised of ten members, two of whom are EDs, three NEDs and five IDs including a Woman Director. The Board periodically evaluates the need for change in its composition and size. Detailed profile of our Directors is available on our website www.tatasteel.com. None of our NEDs serve as IDs in more than seven listed companies and none of the EDs serve as IDs on any listed company.

The Company has issued formal letters of appointment to the IDs. As required under Regulation 46 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 ('Listing Regulations'), the terms and conditions of appointment of IDs including their role, responsibility and duties are available on our website www.tatasteel.com.
