

Strategic Objectives and Enablers

A snapshot of our strategic objectives and enablers are depicted below. The performance against these objectives and enablers is detailed in the subsequent sections of this Report.

CSR: Corporate Social Responsibility SHE: Safety Health and Environment

SUSTAINABILITY GOALS

SG1

Benchmark in CO₂ emissions –
< 2 TCO₂ / TCS by 2025

SG2

Zero effluent discharge by 2025

SG3

Safety leadership –
committed to zero

SG4

Create a lasting impact on
the communities in our
operating areas – impacting
2 million lives by 2025

The link between our initiatives (People, Customer Focus, Operational Efficiency, Innovation, Supply Chain, Environment and Communities), Strategic Objectives and Sustainability Goals is shown in the subsequent sections of this Report.

TCO₂: Tonne of CO₂ TCS: Tonne of crude steel
