TIGER ATTACK CLAIMS 4TH VICTIM IN UP'S PILIBHIT RESERVE

PILIBHIT: Big cat near the Mala forest range of Pilibhit tiger reserve has claimed its fourth victim — a 28-year-old farmer. Krishna Rai of Mala Colony was killed by the tiger on Monday. Defying the lockdown rules, villagers thronged the spot in a large number and protested against the 'negligence' on the part of the PTR administration in providing them protection from tiger attacks. Gajraula SHO Jai

Veer Singh said, "The tiger attacked Rai on his neck and trachea, killing him on the spot. We are trying to pacify the agitated villagers." Pilibhit Sadar tehsildar Vivek Kumar Mishra announced a compensation of Rs4 lakh to the family of the deceased. This is the 4th death in the tiger attack this year. Earlier, this month, a 50-year-old woman Ramoli Sarkar of the same village was killed on March 21.

Corona sneaks into Mumbai housing societies Following this, samples of her parents have been sent for lab testing. People in the area do not take the government's warning seriously; hence the only option is to seal the contaminated zone and prevent people from going out and others from coming in," said Rekha Ramvashi, local corporator.

The entire Bimbisar Nagar area has an alphabet 'Q' like structure: while the circular region is unaffected and open, six buildings which have been sealed are located in the tail/strip of the 'Q'. "We are testing vegetable vendors in the periphery who might have come in contact with this family. The girl who tested positive reportedly went to a medical shop in the colony. We have disinfected the shop and the area around it. The process of fumigation and disinfecting of the affected area has already begun. People in the locality who came in contact with the girl and her family in the area have been advised to self-isolate for 14 days," said an official of the P (South) ward. Meanwhile, Bandrekr Wadi slum in Jogeshwari, too, was

fumigated and disinfectants were sprayed across the area where the Bimbisar Nagar family's domestic help lived. "The slum is densely populated. We have to ensure that people do not come out of their homes until we complete the process of disinfection. Also, we have before us a mammoth task of tracing close contacts. People in such slums use community toilets, which can become the epicentre of infection. We are not leaving any stone unturned to ensure any outbreak in the area is contained," said a senior BMC official.

PAN-INDIA HUNT

In another development, Maulana Saad and others members of the Tablighi Jamaat have been booked under the Epidemic Disease Act, 1897, and relevant sections of the Indian Penal Code for violation of government directions regarding restrictions on gatherings.

The health ministry fears a massive outbreak of the deadly virus, even as the mosque authorities denied any violation and offered to cooperate with the government, offering to turn the mosque into a quarantine facility.

Markaz Nizamuddin, as the mosque is known, is the international headquarters of the Tablighi Jamaat, founded in 1926; it hosts many religious gatherings of Muslims round the year, with participation from many countries.

In a statement, the mosque management claimed that all those who came for the Jamaat would have left but for the repeated lockdowns in Delhi and the Janata curfew called by Prime Minister Modi on March 22. Again, there was a nationwide lockdown from March 23 midnight. The lockdown diminished any chances of these visitors availing of road transport for their journey back home, a statement said.

Five Jaslok staffers test +ve after nurse

All the medical staff who came in direct or indirect contact of the affected nurse and the connected patient have been identified and quarantined as per the protocol. We have conducted direct and indirect contact tracing and swab testing is in process. We are taking all safety and precautionary measures. For us the safety of our hospital staff, both medical and non-medical community at the hospital, is the top priority at the moment," read the official statement released by Jaslok hospital.

'I had no inkling my patient was infected'

"Other staff too were tested after the patient turned out to be positive. However, I was told none of the other staff members working in that ward tested positive," the nurse told The Free Press Journal.

The area's local corporator, however, is flooded with calls from residents of the area who are "locked" inside the cordoned area. "People are frantically calling me as if they are starving to death. People are not at all taking this coronavirus threat seriously, and I was appalled to see a crowd that thronged to see the nurse when she was being taken away by the BMC. We had to call the police to enforce the lockdown and then seal the building," said Upendra Sawant, the local corporator. He added, "Despite the showdown on Monday, some people of the building and nearby area wanted to crowd around when the family of the nurse was taken to Kasturba by the BMC officials," Despite repeated attempts, authorities of Saifee Hospital could not be reached for comment on the nurse's case.

Clinic sealed, search for kids...

staff, to check the spread of the virus," said the official. "Sometimes the symptoms of the virus take time to manifest, and we will have to track down all children who visited the clinic and monitor them constantly," said another PCMC official. Meanwhile, two more persons from Navi Mumbai - from Vashi and Nerul - tested positive for coronavirus on Tuesday, and they have been admitted at Kasturba Hospital in Mumbai. The total number of positive cases from the city has reached 10. As many as 559 people are in home quarantine in Navi Mumbai, apart from 80 people who are under institutional quarantine. There are six persons admitted at an isolation ward in Vashi civic hospital. As many as 113 persons have completed 14 days of quarantine so far. At the same time, 32 have tested corona negative.

Salaries in two installments

Pawar said the government will pay 50% of the first installment of salary to A and B category government officers and employees and 75% to C category employees. However, the government will pay full salary to D category employees while there will not be any cut in monthly pension for pensioners. "There is no salary cut but it will be paid in two installments," reiterated Pawar. Pawar justified the government's move saying that the state is vet to receive Rs 16.654 crore from the Centre. "Had the Centre cleared its dues, the state government would have paid full Pawar on Monday had appealed to the Centre to provide an assistance of Rs 25,000 crore to fight the coronavirus crisis. He had also demanded Rs 16,654 crore dues from the Centre. Meanwhile, Minister of Housing Jitendra Awhad said he would donate his annual salary to conduct coronavirus relief works.

82 +ve cases in 24 hrs — 59 in Mumbai

Since March 9, when the first corona case was reported, the number has crossed 300. "The first 100 cases were reported in 15 days and then, in just five days, 98 cases were reported in the state," said an official.

Health experts said in nearly 38 per cent of the cases, there were travel histories and the remaining 26 per cent were those with close contact with positive cases. The remaining 46 per cent are asymptomatic or affected by local transmission. According to the state health department, until March 31, 406 patients had been hospitalised in the state and of the 6,331 laboratory samples sent for testing, 5,780 were negative, 302 were positive for coronavirus while 39 patients were discharged after full recovery. Currently, 23,913 people are in home quarantine and 1,434 in institutional quarantine.

Flying squads will check you at home!

Each flying squad will consists of a civic officer, police and revenue personnel. They will conduct comprehensive tracing and checking of people who came into contact with coronavirus patients, and facilitate their testing.

Get versed on the virus mask

The manual says that masks lower the chances of coronavirus entering the respiratory system through droplets still in the air from an infected person. It says that reducing the chances of inhaling the virus by wearing a protective mask is vital to stopping its spread.

Analyses shows that if 50 per cent of the population were to wear masks, only 50 per cent of the population would be infected by the virus. Once 80 per cent of the population wears a mask, the outbreak can be stopped immediately.

India calls for further enhancing affordable access to medicines

India on Tuesday called for further enhancing affordable access to medicines and facilitating easier movement of health professionals across national borders. At the meeting of trade and investment ministers of G20 countires, Union minister of commerce Piyush Goyal called for united action to address international trade disruptions.

Goyal stressed on the need to uphold our multilateral commitments and improve upon its effectiveness to meet current challenges. "We are confident that with improved regulatory and R&D cooperation, India can further enhance its capabilities to serve the world in crisis like this. We must ensure that suitable instruments stay in place to address these inabilities and preserve the life, livelihood, food and nutritional security of the

poorest." he said. The minister expressed solidarity with the world and expressed India's support to all frontline health professionals, sanitation workers and all those involved in maintaining essential services to fight the pandemic. He said developing countries and LDCs are matching resources, infrastructure and technical capacities to face this unprecedented

Goyal said such unprecedented challenges necessitate innovative, collaborative and proactive response from the world. "We need to think of a suitable framework under which critical pharma products, medical devices, di-

works. The meeting held through video-conferencing described Covid-19 pandemic as a global challenge, requiring a coordinated global response. 1 out of 3 migrants may carry virus to rural areas

OUR BUREAU / New Delhi

The Centre informed the Supreme Court on Tuesday that the mass exodus of migrant workers had to be stopped since there was a possibility of 3 out of 10 persons carrying the virus to the rural areas.

Solicitor General Tushar Mehta, who was appearing for the Centre, also told the court that there are no more migrants on the roads in the national capital and anybody found loitering is being taken to the nearest shelter. The court accepted Mehta's statement at face value.

The 2-judge Bench headed by CJI was hearing two PILs seeking immediate steps for tackling the coronavirus crisis and preventing its spread. During the hearing, the court passed a series of directions. It has directed the Centre, for instance, to let the

volunteers manage the shelters that have been opened to house the people fleeing their homes, instead of police personnel. The court stressed that

"there should be no use of force or intimidation," even as Chief Justice of India Sharad Bobde voiced fears that "panic will take more lives than the virus itself."

The solicitor general assured the court that the government is alive to the problem of migrants and it is doing all that it can to save the rural population from the pandemic.

government claimed 6.63 lakh people have been sheltered thus far and over 22.88 lakh are being provided food on a daily basis. These numbers, however, do not match the solicitor general's statement in the court about "reverse migration" of over 4 crore people.

Guj ad: Supply of med staff exceeds demand

Prompts civic authorities to raise recruitment target from 354 to a hundred docs, 1000 paramedical staff

RK MISRA / Gandhinagar

Social distancing, advocated worldwide as a preventive measure, had unusual culprits at both ends of the pendulum. Ahmedabad Municipal Corporation had issued a notice it needed 354 medical and paramedical staff, never anticipating the response. A large number of applicants lined up outside its office in Ahmedabad. The scene such medics, the people supposed to educate and administer virus cases on among others, social distancing, were themselves jostling around making a hash of things.

The Ahmedabad Municipal Corporation has been at the cutting edge of providing preventive, curative and essential services to people in Gujarat's premier city. It had put out its requirement of doctors and para-medical personnel for its corona teams. It was caught offguard as large numbers

swarmed the venue responding to the advertisement notice and police had to be called in to regulate the crowds. The overwhelming response prompted civic authorities to raise recruitment target to a hundred doctors and 1,000 paramedical staff. This comes in the backdrop of unruly behaviour by mi grant workers in Surat the previous day who stoned the cops counselling them on social distancing and mass movement. The stone pelting forced police to fire teargas shells and register offences. In Ahmedabad DGP Shivanand Jha on Tuesday an-

nounced the suspension of an inspector after a video clip of him overturning a vegetable vendor's cart went viral on social media. With total cases in Gujarat touching 73, the number of people contracted through local contagion (37) has crossed the infected through international movement (35).

कल्याण-डोंबिवलीत चार नवे रूग्ण

वृत्तसंस्था

कल्याण, दि. १ - डोंबिवली शहरातील कोरोनाबाधितांची संख्या वाढत असून मंगळवारी कोरोनाचा संसर्ग झालेले आणखी चार रुग्ण आढळले. यामुळे शहरातील एकूण कोरोना रुग्णांची संख्या १४ वर गेली आहे. डोंबिवलीत पार पडलेल्या शाही लग्नसोहळ्याला आणि हळदी समारंभाला उपस्थित राहिलेल्या तरुणाला कोरोनाची लागण झाल्याचे समोर आल्यानंतर त्याच्या संपर्कात आलेल्या आणखी दोघांचा अहवाल मंगळवारी पॉझिटिव्ह त्याचबरोबर कल्याण पश्चिमेकडीतील एका तरुणाला आणि डोंबिवली रिजन्सीमध्ये राहणाऱ्या ५४ वर्षीय महिलेला कोरोनाची लागण झाल्याचे कल्याण-डोंबिवली महापालिका प्रशासनाने स्पष्ट केले.

डोंबिवलीतील आयरे परिसरात १९

पाच तास रूग्णवाहिकेची प्रतीक्षा

रिजन्सीमधील ५४ वर्षीय महिलेला कोरोनाची लागण झाली असून तिला मुंबईतील रुग्णालयात पाठवण्यासाठी पाच तासांपासून स्थानिक आमदार राजू पाटील वारंवार प्रशासनाशी संपर्क साधला. मात्र पालिकेच्या दोन्ही रुग्णवाहिका रुग्ण घेऊन मुंबईला गेल्या असून त्या आल्याखेरीज रुग्णाल पाठवता येणार नसल्याचे उत्तर देण्यात आल्याचे पाटील यांनी सांगितले एकाच वेळी चार रुग्ण सापडल्यानंतर पालिकेची अवस्था अशी असेल, तर पुढे रुग्णांची संख्या वाढल्यास पालिका प्रशासन कशी सेवा देणार, असा संतप्त प्रश्न पाटील यांनी उपस्थित केला.

मार्च रोजी आयोजित केलेल्या एका लग्नसोहळ्याला उपस्थित असलेल्या तुर्कीवरून आलेल्या कोरोनाची लागण झाली. या तरुणाला घरीच विलग राहण्याचा सल्ला देऊनही तो या लग्नाला उपस्थित होता. यामुळे या परिसरातील रुग्णांची संख्या दिवसेंदिवस वाढत आहे. २५ मार्च रोजी त्याला लागण झाल्याचे निदान झाल्यानंतर दोन दिवसांपूर्वी त्याच्या संपर्कात आलेल्या एका ६० वर्षीय

महिलेला आणि तिच्या मुलालाही या आजाराची लागण झाल्याचे स्पष्ट झाले, तर मंगळवारी या तरुणाच्या परिसरात राहणाऱ्या आणखी दोन समवयस्क तरुणांना कोरोनाचा संसर्ग झाल्याचे निदान झाले. यानंतर डोंबिवली दावडी रिजन्सीमध्ये चार दिवसांपूर्वी पुण्यातून आलेल्या ५४ वर्षीय महिलेला कोरोनाची लागण झाली असून कल्याण पश्चिमेकडील बेतूरकरपाडा येथील एक तरुणदेखील

कोरोनाने बाधित झाला आहे. यामुळे शहरातील कोरोना रुग्णांची संख्या १४ वर पोहोचल्याचे पालिका प्रशासनाने जाहीर केले.

रुग्ण सापडलेल्या परिसरात पालिकेच्या आरोग्य विभागाकडून औषध फवारणी केली जात आहे. तसेच परिसर सील आजूबाजूच्या जवळपास किलोमीटरच्या परिसरातील नागरिकांची तपासणी केली जात आहे. असे आरोग्य विभागाकडून सांगण्यात आले. डोंबिवलीतील लग्नसोहळ्यात सहभागी झालेल्या तरुणाच्या संपर्कात आल्याने आतापर्यंत चौघांना करोनाची लागण झाल्याचे कळताच लग्नाला उपस्थित असलेले सर्वच जण धास्तावले असून या लग्नसोहळ्याला उपस्थित असलेल्या सर्वांनीच इतरांच्या संपर्कात येणे टाळावे, असे आवाहन पालिका आयुक्तांनी केले

नवी मुंबईतही टाऊनशिप भाग, तसेच मंगळवारी

नवी मुंबई, दि. १ (वार्ताहर) - नवी मुंबई शहरात मंगळवारी कोरोनाचे आणखी दोन नवीन रुग्ण आढळून आले आहेत. त्यामुळे शहरातील कोरोनाग्रस्त रुग्णांची संख्या आता दहा झाली आहे. दिवसेंदिवस कोरोनाच्या रुग्णांमध्ये वाढ होत असल्याने नागरिकांमध्ये भीतीचे वातावरण पसरले आहे.

वाशी येथे मंगळवारी कोरोनाचा एक रुग्ण आढळून आला होता. हा वाशीतील मशिदीमध्ये फिलिपिन्स नागरिकाच्या संपर्कात आल्याचे समजले आहे. या नागरिकाच्या संपर्कात आलेल्या ५२ जणांचे सध्या घरी विलगीकरण करण्यात आले आहे. दुसरा रुग्ण नेरूळ येथे आढळून आला असून तो मुंबईमध्ये एका करोनाबाधिताच्या संपर्कात आला होता. या दोघांनाही मुंबई येथील कस्तुरबा रुग्णालयात उपचारासाठी दाखल करण्यात

उल्हासनगरमधील खाजगी रुग्णालये बंद ठेवाल तर परवाने रद्दचा इशारा

उल्हासनगर, दि. १ - कोरोनाच्या भीतीपोटी उल्हासनगर शहरात अनेक खाजगी रुग्णालयाच्या डॉक्टरांनी आपले रुग्णालये बंद करून घरी बसण्यास पसंती दिली आहे. यामुळे रुग्णांची मोठ्या प्रमाणात गैरसोय होत आहे. यासंदर्भात मनपा आयुक्तांकडे तक्रारी प्राप्त झाल्यानंतर त्यांनी खाजगी

रुग्णालये सुरू करण्यात यावे अन्यथा संबंधित रुग्णालयाचे परवाने रद्द करण्यात येईल असे आदेश दिले आहेत

कोरोना संसर्ग टाळण्यासाठी देशभरात लोकडाऊन करण्यात आले असले तरी खाजगी रुग्णालये सुरू राहणार असल्याचे आदेश जारी करण्यात आले आहेत. मात्र असे असताना देखील उल्हासनगर शहरात अनेक खाजगी रुग्णालये बंद असल्याचे निदर्शनास आले आहे.यामुळे रुग्णांची गैरसोय होत असून आहे. दरम्यान खाजगी रुग्णालयातील डॉक्टरांनी रुग्णालय सुरू न केल्यास महापालिका त्याचे परवाने रद्द करणार असल्याची माहिती माहापालिका आयुक्त सुधाकर देशमुख यांनी दिली.

भिवंडीतील उड्डाणपुलांसह पेट्रोलपंप सामान्य नागरिकांसाठी १४ एप्रिलपर्यंत राहणार बंद

रतनकुमार तेजे

भिवंडी दि. १ - जगभर कोरोना व्हायरसने थैमान घातले असून देशासह राज्यातही कोरोनाबाधीत रुग्णांनाची संख्या दिवसेंदिवस वाढत आहे. कोरोनावर उपाय योजना म्हणून संपूर्ण देशात १४ एप्रिल पर्यंत लॉकडाऊन करण्यात आले आहे. मात्र तरीही काही हुल्लडबाज तरुण दुचाकी व चारचाकी वाहनांमधून शहरातील रस्त्यांवर हल्लडबाजी करतांना दिसत आहेत. तीन दिवसांपासून या हल्लडबाजांवर कारवाई करण्याचे आदेश भिवंडी पोलीस उपायुक्त राजकुमार शिंदे यांनी दिले होते. त्यांच्या आदेशानंतर हल्लडबाज तारूंणावर कारवाई करत दंडुके व उठाबाशांची शिक्षा देखील अशा तरुणांना पोलिसांनी केली . मात्र तरी देखील काही तरुण आजही संचारबंदी कायद्याचा उल्लंघन करीत असल्याचे चित्र समोर येत असल्याने आता भिवंडी पोलिसांनाही हुल्लडबाजांवर कारवाई करण्यासाठी ठिकठिकाणी नाकाबंदी केली आहे. मात्र ही

प्रशासनाच्या निदर्शनात आल्या नंतर आता भिवंडीतील सर्व उड्डाणपूल १४ एप्रिल पर्यंत बंद ठेवण्याचा निर्णय भिवंडी पोलीस उपायुक्त राजकुमार शिंदे यांनी घेतला आहे. त्याचबरोबर अत्यावश्यक सेवा देणारी वाहने वगळता शहरातील सर्व पेट्रोल पंप देखील सामान्य नागरिकांसाठी १४ एप्रिल पर्यंत बंद ठेवण्या आली आहे. तर पत्रकारांनी आपले ओळखपत्र पेट्रोल पंपवर दाखविल्यास पत्रकारांच्या वाहनांना पेट्रोल मिळणार असल्याचे स्पष्टीकरण देखील पोलीस उपायुक्त शिंदे यांनी केले आहे.

भिवंडी पोलीसांच्या य निर्णयामुळे संचार बंदी कायद्याची अंमलबजावणी चांगल्या प्रकारे होणार असून हल्लडबाजांचा देखील अटकाव होणार आहे. त्याम्ळे पोलोसांच्या या निर्णयाचे शहरातील नागरिकांकडून स्वागत करण्यात येत PRUDENTIAL 73 MUTUAL FUND
