Prez voices concern on growing intolerance

Birbhum, Oct 19: Amidst a wave of rising intolerance, President Pranab Mukherjee on Monday expressed serious apprehensions over whether tolerance and acceptance of dissent are on the wane in the country.

"Humanism and pluralism should not be abandoned under any circumstance. Assimilation through receiving is a characteristic of Indian society. Our collective strength must be harnessed to resist evil powers in society," Mukherjee said.

Addressing a gathering organised by Nayaprajana, a local weekly newspaper here, he expressed apprehension about "whether tolerance and acceptance of dissent are on the wane?"

He reminded the audience of the teachings of Ramakrishna Paramahansa Joto Mat Tato Pathi. "As there are a number of beliefs, there are a number of ways," Indian civilisation has survived for 5000 years because of its tolerance. It has always accepted dissent and differences.

A large number of languages, 1800 dialects and 7 religions coexist in India. We have a Constitution that accommodates all these differences," the President said.

The President's strong words on the need to maintain pluralism and dissent in the society came against the backdrop of series of hate incidents including in Mumbai where BJP ally Shiv Sena forced cancellation of a music concert by Pakistani legand Gulshan Ali and talks between Indian and Pakistani cricket board Chiefs and blackened the face of Sudhendra Kulkarni.

Less than a fortnight ago against the backdrop of Dadri lynching, the President made a strong appeal for maintaining the core civilizational values of diversity, tolerance and plurality have kept India united for centuries which he said cannot be wasted.

Mukherjee also greeted people on the eve of Durga Pujas celebrations. PTT
