Notes:

1. The results have been reviewed by the Audit Committee and approved by the Board of Directors in its meeting of date.

2. The actuarial gains and losses on funds for employee benefits (pension plans) of Tata Steel Europe Limited for the period from April 1, 2008 have been accounted in “Reserves and Surplus” in the consolidated financial statements in accordance with IFRS/IND AS principles and as permitted by Accounting Standard 21. Had the Company recognised changes in actuarial valuations of pension plans of Tata Steel Europe in the statement of profit and loss, the consolidated profit after taxes, minority interest and share of profit of associates for the nine months ended December 31, 2014 would have been lower by ₹2,985.64 crores (₹1,946.82 crores for the quarter) and the consolidated profit after taxes, minority interest and share of profit of associates for the nine months ended December 31, 2013 would have been lower by ₹380.33 crores (₹4.95 crores for the quarter). During the quarter, negotiations with the Dutch Trade Unions were concluded, leading to a reduction in the pension benefit obligations of Tata Steel Europe.

3. The Company has been operating its mining activities in Odisha and Jharkhand with all statutory clearances such as environmental clearances, forest clearances, consent to operate etc. The Company had also submitted the applications for renewal of its mines well before the expiry of the leases as stipulated under the law.

In Odisha, mining operations were restarted in Joda East, Katamati, Bamebari and Joda West Mines with effect from December 16, 2014 on the basis of the direction issued by Honourable Odisha High Court in this regard. The express orders were also issued by Government of Odisha on December 1, 2014 in favour of Sukinda Chromite Mine. Based on the order of the Honourable High Court of Odisha, the Government of Odisha has permitted the restart of the mining operations at Sukinda on January 31, 2015. The company based on the above permission has commenced mining of Chrome Ore and production of Ferro Alloys. Mining operations and the expansion of mining capacity in Khondbond and mining operations in Tiringpahar, Manmora, Malda and Gomardih Mines remain suspended since May 2014.

In Jharkhand, operations have resumed in Noamundi Mine with effect from January 1, 2015 based on the Express Order issued by Government of Jharkhand pursuant to the orders passed by the High court of Jharkhand.

The Mines and Minerals Development and Regulation (MMDR) Amendment Ordinance 2015 promulgated on January 12, 2015 provides for extension of leases for the above mines till March 31, 2030 in case of captive consumption. The Company continues to engage with the Government of India and the respective State Governments on matters relating to the operational issues of the above ordinance.

4. The consolidated financial results have been subjected to limited review and the stand-alone financial results have been audited by the statutory auditors.

5. Figures for the previous periods have been regrouped and reclassified to conform to the classification of the current period, where necessary.

Tata Steel Limited

Cyrus P Mistry
Chairman

Mumbai, February 06, 2015
