Normal monsoon should help contain price pressures: Das

Cabinet clears strategic disinvestment, transfer of mngt control in IDBI Bank

PRESS TRUST OF INDIA

IDBI Bank is in the process of strategic disinvestment and has an internal plan to transfer the control of the bank to the government.

The Cabinet Committee on Economic Affairs (CCEA) has already approved the strategic disinvestment plan of IDBI Bank.

"The CCEA has approved the strategy of IDBI Bank," a Cabinet source said on condition of anonymity.

The strategy, if implemented, will help IDBI Bank to focus on its core business of lending and borrowing.

The strategy involves the transfer of ownership from the government to private sector entities.

The government holds a 49.9% equity stake in IDBI Bank and is looking to divest up to 26% of its stake.

The divestment process is likely to start soon and will be completed within the current fiscal year.

IDBI Bank is one of the leading banks in the country and has a strong presence in retail and corporate lending.

The bank has been facing challenges in recent years due to weak asset quality and high provisions.
