DESPITE ADMITTING TO price pressures both from food items and input prices, RBI governor Shaktikanta Das on Wednesday hoped that a normal Southwest monsoon will have a "soothing impact" on inflation pressures and ruled out any wide variations in medium-term inflation forecast from what was given in April.

In an unscheduled address earlier in the day amidst the raging pandemic, Das said the overall outlook for the economy is highly uncertain and is clouded with downside risks. He offered a slew of relief and liquidity measures to individuals and small businesses apart from a ₹50,000 crore special liquidity window to the healthcare sector.

Noting that retail inflation edged up to 5.5% in March 2021 from 5% in February on the back of a pick-up in food as well as fuel inflation while core inflation remained elevated,

"But even at this time, in the run up to the next Monetary Policy Committee (MPC) meet that will analyse various incoming data which are being monitored by the RBI on a real-time basis, we don't expect any broad variation in our April inflation projection instead we will have to wait for the next MPC statement due in the first week of June," the governor said.

Cabinet nod to free foodgrain **under PMGKAY** for May-June

PRESS TRUST OF INDIA New Delhi, May 5

> **THE CABINET ON** Wednesday gave ex-post facto approval to a proposal to distribute monthly 5 kg free foodgrains to about 80 crore PDS beneficiaries during the May-June period under the Pradhan Mantri Garib Kalyan Anna Yojana (PMGKAY). The PMGKAY was an-

> nounced in 2020 for three months till July and later extended till November to combat the economic impact of Covid-19 on the poor.

In view of the resurgence of Covid-19, the Food Ministry reimplemented the PGMKAY for two months with effect from May 1. The same was approved in the Cabinet meeting on Wednesday.

"The cabinet meeting, chaired by Prime Minister Narendra Modi, has given its expost facto approval...for allocation of additional foodgrain under PMGKAY-III for another period of two months – May to June 2021," the government said in a statement.

WITH GUJARAT GOVERNMENT extending mini-lockdown till May 12 to break the chain of the second wave of COVID-19. industries have demanded that Reverse Transcription Polymerase Chain Reaction (RT-PCR) test be made available at the entry points of all industrial estates across the state.

Gujarat Chamber of Commerce & Industries (GCCI), an apex body of trade and industry in the state has suggested to the state government to make available RT-PCR kits to Gujarat Industrial Development

Corporation (GIDC)-run industrial estates as well as private industrial estates to conduct **RT-PCR tests on large number** of labourers and employees working there.

Make RT-PCR tests available at entry

"We have talked to different industrial associations across the state and they are prepared to provide space and volunteers to conduct RT-PCR tests. Big industries can afford to create facilities of different tests related to COVID-19, but it is beyond the capacity of MSMEs and hence we have requested the state government to provide RT-PCR test kits to industrial estates across the state," says Natubhai Patel, president of GCCI. GCCI appreciates the state government for allowing manufacturing units to continue operations, said Patel, adding that but at the same time retaining the workforce is the biggest challenge for industrial units due to pandemic situation.

If the RT-PCR test facilities would be available at the entry points of industrial estates, infected people could be isolated and treated properly and in that process industries will also be able to contribute in the government's efforts to break the chain of COVID-19 spread, he added.

Cabinet clears strategic disinvestment, transfer of mgmt control in IDBI Bank

PRESS TRUST OF INDIA New Delhi, May 5

THE CABINET ON Wednesday gave in-principle approval for strategic disinvestment along with transfer of management control in IDBI Bank in line with the Budget announcement earlier this year.

The central government and LIC together own more than 94% equity of IDBI Bank. LIC, currently the promoter of IDBI Bank with management control, has a 49.21% stake.

The Cabinet Committee on Economic Affairs chaired by Prime Minister Narendra Modi approved the strategic sale of IDBI Bank, an official statement said on Wednesday. The extent of respective shareholding to be divested by the central government and LIC shall be decided at the time of structuring of transaction in consultation with the RBI, it said. Finance Minister Nirmala Sitharaman while presenting the Budget 2021-22 had announced the privatisation of public sector banks (PSBs) as part of a disinvestment drive to garner ₹1.75 lakh crore. "Other than IDBI Bank, we

propose to take up the privatisation of two Public Sector Banks and one General Insurance company in the year 2021-22," she had said. Insurance giant LIC has completed the acquisition of 51% controlling in IDBI Bank in January 2019.

"LIC's Board has passed a res-

price, market outlook, statutory stipulation and interest of policyholders," the statement said. This decision of the LIC

board is also consistent with the regulatory mandate to it to reduce its stake in the bank, it added.

The statement further said it is expected that strategic buyer will infuse funds, new technology and best management practices for optimal development of business potential and growth of IDBI Bank and shall generate more business without any dependence on LIC and government assistance/funds. Resources through strategic

disinvestment of government equity from the transaction would be used to finance developmental programmes of the government benefiting the citizens, it said.

Earlier in March, the Reserve Bank of India (RBI) had taken out IDBI Bank from the prompt corrective action (PCA) framework, subject to certain conditions and continuous monitoring. The bank was put under the

Send at least 1 member from each family to Delhi border: Punjab farmer organisations

FARMER ORGANISATIONS OF Punjab, the major force of the Samyukt Kisan Morcha (United Farmers' Front) spearheading the protest against the three farm laws, on Wednesday appealed to the people of the state to send at least one member from each family to Delhi border on May 10 and 12 in batches to join an all-India convention. Speaking to the media after meeting leaders of 32 protest-

ing unions, Balbir Singh Rajewal said a large number of farmers, labourers, shopkeepers will come on the streets and protest against the lockdown in Punjab.

financialexp.epage.in

The general body of SKM, a conglomeration of several farmer unions from different states, will meet on May 7 to chalk out a plan for the all-India convention, he said. Last month, SKM had announced the plan to hold the convention on May 10 at the Singhu border through physical presence as well as via video conferencing.

Rajewal said that the Centre has failed to fight against the corona pandemic, to provide proper healthcare and basic facilities like oxygen, beds and medicines to the citizens. -FE BUREAU

Chaos at some vaccination centres as people arrive before time, break barricades

SANJANA BHALERAO MUMBAI, MAY 5

CHAOTIC SCENES were witnessed outside a few inoculation centres on Tuesday, the second day of resumption of the vaccination drive against Covid-19 for the 45 and above age group in Mumbai. Inoculation for the age group was put on hold between April 30 and May 3 due to shortage of the vaccines.

Fearing a repeat of another interruption in the vaccination process, citizens started gathering outside the BKC jumbo facility from 8am on Wednesday, resulting in a stampede-like situation. Some people were seen breaking the barricade at the facility —the largest centre in the city, vaccinating 8,000 people daily on an average.

"On Tuesday, by 12pm, over half of the citizens waiting outside the BKC were asked to leave as the vaccine stock had exhausted. I didn't want a repeat of that and that is why I came to the centre before time. Earlier, my appointment for the second dose was cancelled thrice, as the vaccine stock was not available," said 50-year-old Santosh Waghela. Commenting on the ruckus, Dr Rajesh Dere, incharge of the BKC facility, said, "People were told to come after 12pm since doses were to arrive only in the morning. The local administration and police also appealed to the citizens. However, the crowd gathered before time and started marching in without obeying any request. Once the doses arrived, everything was well managed and vaccination was carried out smoothly."

EXPRESS NEWS SERVICE MUMBAI, MAY 5

THE ANDHERI police Tuesday lodged an FIR against comedian Sunil Pal for allegedly putting out a video on social media last month where he is seen making derogatory comments against doctors.

Pal told *The Indian Express*, "I apologised to those doctors who felt bad by my statement. I am ready to apologise to the court as well. I was only expressing what I am hearing from people around me."

In the video, Pal says, "90 per cent doctors treating Covid 19 are fraud and evil. They are looting patients by charging heavy fees. I also hear that they steal organs from patients and then kill them. Even those who do not have Covid-19 are given positive test reports by a gang of people. I think all these things need to be inquired as I think it's a big scam.

Dr Sushmita Bhatnagar, president, Association of Medical Consultants, Mumbai. "We will

Bhatnagar told The Indian Express, "We registered the FIR not only because he abused doctors and made derogatory statements against them but he is spreading rumours that doctors are giving false positive Covid-19 reports...The general public is already scared and the pandemic is raging. Due to such misleading videos, people will get scared even more and will not go to doctors thinking they are trying to extract money from them."

AMBANI TERROR SCARE CASE Judicial custody of Waze and Kazi extended till May 19

Mumbai: The Special Court on Wednesday extended the judicial custody of suspended Mumbai police assistant inspectors Sachin Waze and Riyazuddin Kazi till May 19. The two have been arrested in the Ambani terror scare case by the National Investigation Agency and booked on charges including criminal conspiracy, murder and sections of the Unlawful Activities Prevention Act.

On Wednesday, an application was moved on behalf of Kazi by his lawyers Hasnain Kazi and Zeeshan Khan, seeking permission to speak to him to take instructions from him. It was claimed that Kazi, who is lodged in Taloja central jail, had called his lawyers but the call was disconnected within 5-7 minutes and the lawyers were unable to take detailed instructions.

The plea sought permission to allow them to speak for 20 minutes and the court allowed them 10 minutes. On behalf of Waze, an application was filed seeking clothes and legal books. The court is likely to decide on the plea on Thursday. Apart from Kazi and Waze, the NIA has arrested three more persons who are also in judicial custody. ENS

In a tweet late on Tuesday, the Brihanmumbai Municipal Corporation (BMC) had said the vaccination process for Saturday will begin in the afternoon.

To manage the crowd, separate queues for citizens coming in for first and second doses were set up at the facility. Appointments were mandatory for those coming for the first dose while the second-dose

A division bench of Justice S S Shinde and Justice MS Karnik had on January 7 reserved its judgment in the case, which was passed Wednesday. Holey has also filed pleas against being booked by the police for allegedly making offensive remarks on social media against the state government, CM Uddhav Thackeray and his son and minister Aaditya. The HC said it will decide on the pleas separately.

The bench noted that realising the sensitivity of the situation, as a large number of people had gathered near the Bandra station following rumours of train being available for them to return to their native places, the police had asked certain people to address the crowd to pacify them.
