Q&A instructions: you can ask questions via audio VoIP or chat box

The screenshot shows a web browser window with the URL `ccreservations.com/tatasteel/live.php?EmailId=sandep.agrawal@tatasteel.com`. The page features the TATA STEEL logo and the slogan "WeAlsoMakeTomorrow" on the left, and the title "1QFY22 Earnings Call" on the right. A video player is centered on the page, displaying a play button and the text "CLICK TO PLAY". Below the video player, there is a Q&A interface with a text input field labeled "Audio Question" and a "Submit Question" button. A "Logout" button is located in the bottom left corner, and the text "Powered by: CHORUSCALL The Diamond of Teleconferencing" is in the bottom right corner. The background of the page is a night-time image of a city skyline and a bridge.

Q&A Instructions for Audio VoIP questions

Click on the 'Audio Question' tab to dial in to the call and ask your question over audio

A browser auto pop-up will open. Please click on 'OK' to proceed with live questions

After you press ok, another browser auto pop-up will open. Please click on 'Allow' to provide access your microphone.

Q&A Instructions for Audio VoIP Question contd. ...

Dial in to call: Once you allow use of microphone as explained on previous page, a new window will open. Please enter your details and click on the phone icon.

The screenshot shows the HD Web Phone interface for Chorus Call. The header includes "HD Web Phone™" and "CHORUS CALL The Diamond of Teleconferencing". The main area features a light blue background with a green pine branch on the left. A text input field contains "Pallavi Darekar" and another field below it says "Enter your company". A green circular button with a white phone icon is centered. At the bottom, there is a footer with "© English", "Help", "GDPR", "Settings", and "Contact Us". A small notice at the bottom left states: "Your data will be processed according to the European GDPR guidelines. For more information refer to your respective service office. Click [here](#) to accept and minimize this message."

You will see your microphone details, please click on the start call button.

The screenshot shows a microphone selection and audio test settings window. At the top right is a speaker icon. The "Select Microphone" section lists four options: "Default - Microphone (2- Webcam C170) (046d:082b)" (selected with a green checkmark), "Communications - Microphone (2- Webcam C170) (046d:082b)", "Microphone (2- Webcam C170) (046d:082b)", and "Microphone (Jabra BIZ 1500) (0b0e:2327)". Below the list is an empty text input field. The "Audio Test" section has a play button icon and the text "Click to test your audio setup". At the bottom left, there is a checked checkbox for "Always show settings before connecting". On the bottom right are "Cancel" and "Start Call" buttons. The version "Version 1.7.0" is displayed at the bottom center.

Q&A Instructions for Audio VoIP Question contd. ...

- Now, you will see this screen.
- On your turn, your line will be unmuted and your name will be announced to allow you to ask questions.

Q&A Instructions for Audio VoIP Question contd. ...

- Your turn might take sometime, you can continue to watch the webcast by switching on to the previous tab in the same browser.
- You will be able to hear the audio of the webcast as well.

The screenshot shows a web browser window with the URL `ccreservations.com/tatasteel/live.php?EmailId=sandep.agrawal@tatasteel.com`. The page features the TATA STEEL logo and tagline "WeAlsoMakeTomorrow" at the top left, and "1QFY22 Earnings Call" at the top right. The main content area contains a video player with a large play button and the text "CLICK TO PLAY". Below the video player is a Q&A form with a text input field, a "Submit Question" button, and a helpline number "Helpline: india@choruscall.com". A "Logout" button is visible in the bottom left corner, and the page is powered by CHORUSCALL, "The Diamond of Teleconferencing".

Q&A Instructions for Audio VoIP questions

Once your name is announced and you are done with your question, you should press red colour icon to end the call
