Emphasis of Matter

4. We draw your attention to Note 5 to the Statement in respect of Composite Scheme of Amalgamation (the "Scheme") between the Company and its subsidiaries, namely Tata Steel BSL Limited and Bamnipal Steel Limited, from the appointed date of April 1, 2019, as approved by National Company Law Tribunal vide its order dated October 29, 2021. However, the accounting treatment pursuant to the Scheme has been given effect to from the date required under Ind AS 103 - Business Combinations, which is the beginning of the preceding period from April 1, 2020. Accordingly, the figures for the periods ended September 30, 2020, March 31, 2021 and June 30, 2021 have been restated to give effect to the aforesaid merger. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Standalone Financial Results

- 5. These Standalone Financial Results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these Standalone Financial Results that give a true and fair view of the net profit and other comprehensive income and other financial information, the Statement of Assets and Liabilities and the Statement of Cash Flows in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.
- 6. In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- 7. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

- 8. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.
- 9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit

evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
- 10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 11. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Management Comments:

Mr. T V Narendran, Chief Executive Officer & Managing Director:

"Tata Steel has delivered strong results across key geographies in this seasonally weaker quarter. Our steel deliveries in India expanded by 11% despite a contraction in market demand which is a testament to the strength of our franchise. We continue to drive value accretive growth in our chosen segments and our performance in key segments such as auto was very robust despite the sector being impacted by the semiconductor shortage. Our European operations have also delivered robust performance underpinned by strong improvement in realizations. We are watchful of the elevated coal prices and high energy cost as key risks to margins going forward.

We took another step in our sustainability journey and commissioned 5 TPD CO₂ capture plant at Jamshedpur; first in India by a Steel company to extract CO₂ directly from Blast Furnace gas. We continue to progress on our stated goals of expanding and consolidating our operations in India. Our 5 MTPA TSK phase II expansion including the pellet plant and CRM complex is progressing well and the merger of Tata Steel BSL with Tata Steel will be completed shortly. We have recently won the high quality Gandhalpada iron ore mines which helps us achieve raw material security beyond 2030. In line with our capital allocation strategy, we recently exited our operations in Singapore through the sale of NatSteel."

Mr. Koushik Chatterjee, Executive Director and Chief Financial Officer:

"Tata Steel posted its highest ever underlying quarterly performance with EBIDTA and Profit after Tax of Rs 16,618 crores and Rs 12,548 crore on the back of strong operating and market performance across all geographies including Europe. This translates into a consolidated EBIDTA Margin of 27.6% and PAT margin of 20.8% for the quarter. The operating cash flows continue to be strong despite working capital pressure due to price effect on coal price increase in recent months. We signed and closed the divestment of our 100% holding in NatSteel Holdings in this quarter to realise around Rs.1,200 crore that resulted in a realised gain of Rs 720 crores for the quarter.

As part of our enterprise strategy, we continue to deploy the free cash flows for de-leveraging the balance sheet with Rs.11,424 crore of debt repayment in the first half of the current financial year and are targeting additional, aggressive deleveraging in the second half as well. The financial metrics of the company are now at investment grade levels and we are happy to note that the Standard & Poor has upgraded Tata Steel to investment grade level of BBB-."
