

DOCUMENTS COLLECTED FROM SEBI NSE co-location probe: CBI grills Subramanian

PRASANTA SAHU
New Delhi, February 21

THE CENTRAL BUREAU of Investigation (CBI) has collected relevant documents from the Securities and Exchange Board of India (Sebi) as part of its probe into the irregularities at the National Stock Exchange (NSE). The agency also questioned the exchange's former group operating officer Anand Subramanian in Chennai for the last three days, sources told *FE* on Monday.

The CBI had questioned former NSE CEO Ravi Narain on Saturday in connection with the alleged abuse of the co-location facility by an NSE stock broker. It had quizzed former CEO Chitra Ramakrishna on Thursday and Friday. It had issued lookout notices against Narain and Subramanian on Friday.

The CBI stepped into the case after tax raids on the Mumbai and Chennai residences of Ramakrishna and Subramanian commenced on Thursday morning. A senior I-T department official had told *FE* that financial transactions of Subramanian's wife, Sunitha Anand, a former NSE official, were also being investigated.

The CBI is also learnt to be investigating other unnamed NSE officials to gather evidence on allegations that some bro-

kers received preferential access through the co-location facility at the stock exchange. Early login and 'dark fibre', which allows a trader a split-second faster access to the data feed of an exchange, could potentially result in big gains for a trader.

The CBI had booked Sanjay Gupta, owner and promoter of Delhi-based OPG Securities, and others in connection with the alleged abuse of the co-location facility. It is also investigat-

ing unidentified Sebi officials.

"It was alleged that the owner and promoter of the said private company (OPG Securities) abused the server architecture of NSE in conspiracy with unknown officials of NSE. It was also alleged that unknown officials of NSE, Mumbai, had provided unfair access to the said company using the co-location facility during the period 2010-2012 that enabled it to login first to the exchange server of Stock Exchange that helped to get the data before any other broker in the market," the CBI has said in its FIR.

It emerged that in 90% of cases, Gupta was the first to log in, which prompted murmurs in the stock broker circuit and resulted in the NSE introducing a load balancer. As per the FIR, Gupta again managed through the data centre staff of NSE to get connected to the backup servers, which were with zero load and provided far better and faster access of market feed.

The agency said he manipulated Sebi's inquiry against the role of OPG Securities in the misuse of tick-by-tick architecture of servers by bribing officials of the market regulator.

The ambit of the tax raids includes "suspected generation of black money by way of abuse of co-location facility in the NSE," an official said.

Onion exporters await arrival of summer crop

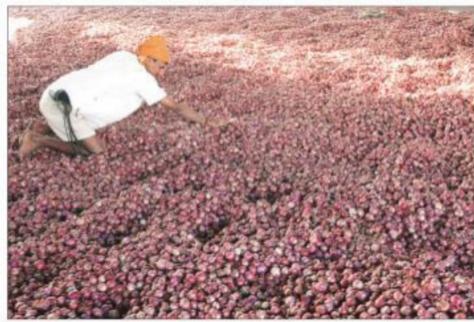

FE BUREAU
Pune, February 21

EXPORTERS ARE WAITING for the arrival of summer onions in the market, since the red onion variety currently available is not considered suitable for exports because of its shorter shelf life. The summer onions are expected to hit the market in the middle of March.

As per data available with the Agricultural and Processed Food Products Export Development Authority (APEDA), onion exports dropped 24% in the April-November period of the current financial year to 10.55 lakh tonne from 13.92 lakh tonne in the same period last year.

Onion exports from Maharashtra have declined 35% from 6.72 lakh tonne between April and November FY21 to 4.34 lakh tonne during the same period in the current fiscal. The state had exported at least 8 lakh tonne in 2020-21, while the figure for 2019-20 was 7.29 lakh tonne. Maharashtra is among the largest cultivators of onions in the country.

PK Gupta, acting director, National Horticultural Research and Development Foundation, attributed the decline in exports to the higher prices in the domestic market. Onion prices in international markets ranged from ₹18.75 to ₹22.50 per kg, while prices in domestic markets were between ₹20 and ₹25 per kg.

Onion exports from Maharashtra have declined 35% from 6.72 lakh tonne between April and November FY21 to 4.34 lakh tonne during the same period in the current fiscal

The government has not banned onion exports, but the lack of benefit has made exporters shy away, he said.

Ajit Shah, president, Horticulture Produce Exporters Association, said onion prices should reduce once the summer crop starts arriving in the markets. At present, the red onion variety is selling for ₹2,500 per quintal in the Lasalgaon wholesale market. "Onion from Pakistan is being preferred by other markets since it is available for \$350 a tonne, while Indian onion is \$550 per tonne. The season in

Pakistan is about to end, while the Indian summer onion crop season begins soon and can continue for three to four months. This is when exports are likely to pick up," he said.

Freight charges almost doubled from ₹5 per kg to ₹11-12 per kg this financial year, which also affected onion exports. The availability of containers was also an issue, Shah said. Besides, the quality of onions was also poor as most of the produce was affected by unseasonal rain in Maharashtra, he said.

Suvarna Jagtap, chairperson of the Lasalgaon Agriculture Produce Market Committee (APMC), said onion arrivals have reduced to around 20,000 quintal a day from nearly 40,000-50,000 quintal at the APMC and its sub-yards. This time, MP and Gujarat have also reported a good crop and therefore prices should remain stable, she said.

UP discoms to raise ₹8,000 crore through bonds

DEEPA JAINANI
Lucknow, February 21

UTTAR PRADESH POWER Corporation (UPPCL), the umbrella body of the state's five discoms, is set to issue bonds worth ₹8,000 crore to meet operational expenses. For the issue, which will hit the market in early March, it has appointed merchant bankers Trust Investment, Tipsons, and AK Capital.

Delays in release of subsidies by the state government and the high aggregate technical and commercial losses (AT&C) losses — 27.5% in 2020-21 — have resulted in a rise in the discoms' losses in 2020-21. A decline in rate of growth of revenue due to the pandemic in 2020-21 also caused losses to rise, after a dip in the previous year (see chart).

Under the so-called UDAY scheme for discoms' revival, a target was set to reduce AT&C losses (pilferage) to 15% by 2018-19. While many state dis-

coms met the target, UPPCL was among the laggards.

According to official data, the UPPCL's accumulated losses stood at ₹70,454 crore in 2020-21. It had an outstanding working capital loan of ₹66,277 crore

and capex loan of ₹11,105 crore in the year. Besides, it also owes ₹26,419 crore as outstanding dues to power generators — ₹4,684 crore to state-run firms and ₹6,859 crore to IPPs.

A source in the UPPCL man-

agement told *FE* that the UP discoms' losses in 2019-20 were ₹12,892 crore, which rose to ₹16,160 crore in 2020-21.

"The power corporation's total income from all sources stood at ₹62,045 crore, including revenue collection of ₹49,611 crore and subsidy support of ₹11,465 crore, against which the expenses were ₹78,205 crore. The year before, the income was ₹58,740 crore, while the expenses stood at ₹71,632 crore," he said, on condition of anonymity.

The power purchase cost of the discoms was ₹62,770 crore in FY21, against revenue collection of ₹49,611 crore, or 79%.

Speaking about the cash-flow bottleneck, the official said the monthly cost to run UPPCL was ₹6,517 crore. While the revenue collected (excluding subsidy) was ₹4,098 crore, the monthly power purchase cost was ₹5,231 crore, thereby

resulting in an average monthly gap of ₹2,419 crore, which translates to an average per day gap of ₹80 crore without subsidy, and ₹58 crore after subsidy.

"In a bid to improve things, we have appointed new billing agencies from November, who have been mandated to not just generate bills but also collect revenue. We have also managed to bring down the AT&C losses from 41% in FY17 to 27.5% in FY 21," said an official, adding that in the long term, the solution to this problem would be the central government's pre-paid smart meter programme.

"The new central scheme for discoms aimed at revamp of the distribution systems will be a boon for Uttar Pradesh, as it will automatically take care of all the problems related to revenue collections. We also have plans to bring down the AT&C losses to 16% in the next three years," he said.

h2e Power Systems to set up electrolyser plant in Pune

GEETA NAIR
Pune, February 21

CLEAN TECH START-up h2e Power Systems is setting up an electrolyser-manufacturing plant in Pune. The new hydrogen policy is expected to provide a boost to the hydrogen economy. h2e founder & MD Siddharth R Mayur expects demand for electrolysers in India to skyrocket in the coming days.

The new hydrogen policy makes it easy for anyone to set up a hydrogen plant and this is expected to drive up demand for electrolysers, Mayur said. Electrolysis is the process of splitting of water into hydrogen and oxygen, using electricity.

h2e Power Systems is among the country's first fuel cell & green hydrogen companies, founded in Pune 2011 by social entrepreneur Mayur along with Amar Chakradeo and Bhavana S Mayur.

The new hydrogen policy makes it easy for anyone to set up a hydrogen plant and this is expected to drive up demand for electrolysers, h2e founder & MD Siddharth R Mayur says

Apart from Pune, h2e now has manufacturing facilities in Winterthur (Switzerland), Konstanz and Dresden (Germany). h2e acquired Swiss fuel cell specialist Hexis AG and German company mPower GmbH, and inherited product portfolios and expertise in fuel cells. It has tied up with US-based Ways2H, a waste-to-hydrogen company, to produce green hydrogen from waste in India. h2e works with the Fraunhofer Institute of Germany to develop technology and has got several patents for related technologies.

All this gave h2e an head start in the market, with all the building blocks already in place, and will be off the block in quick time and start operations this year, Mayur said. They had been working on the technology for almost a decade and have moved to pilot scale manufacturing, and simultaneously worked on various applications and business plans, so h2e is ready to roll out, he said. According to Mayur, the investments could be in the region of \$30 million and they were looking at raising funds externally.

DICV partners CERO to help customers buy BharatBenz trucks

FE BUREAU
Chennai, February 21

DAIMLER INDIA COMMERCIAL Vehicles (DICV), the wholly-owned subsidiary of Germany's Daimler Truck AG, on Monday announced a strategic partnership with CERO, a scrappage & steel recycling facility owned by Mahindra MSTC Recycling (MMRPL). The partnership will offer support and hassle-free service to owners, helping them to scrap their end-of-life (ELV) commercial vehicles (CVs) and replace them with new BharatBenz trucks. DICV aims to provide an end-to-end solution to customers for scrapping their old trucks right from the process of vehicle valuation up until the receipt of a CoD (certificate of deposit). CERO is India's first organised automobile recycling initiative, intro-

duced to reduce carbon footprint using eco-friendly methods of recycling metals from ELVs.

Satyakam Arya, MD & CEO, DICV, said, "Scrappage is an important step towards reducing carbon footprint and old, polluting vehicles from Indian roads, which is the need of the hour. This is an opportunity for customers to replace their old fleet with new, BSVI BharatBenz trucks, manufactured locally in India with a high standard of safety, quality, comfort and state of the art technology. We see great potential for new truck sales with the effective implementation of the scrappage policy."

According to DICV, scrappage is an eco-friendly way to acquire new fleets with modern technology that will deliver better fuel efficiency, reliability and lower cost of ownership.

SEA asks members to reduce MRP on edible oil

WITH DOMESTIC EDIBLE oil prices showing no sign of easing in view of global developments, the Solvent Extractors Association of India (SEA) on Monday appealed to its members to reduce the minimum retail price (MRP) of cooking oils by ₹3-5 per kg with immediate effect. This is the second time the industry body is making such a request of its members; it had asked them to reduce MRP on edible oils by ₹3-5/kg around

Diwali in November 2021. The industry body said in a statement that edible oil prices in the world are skyrocketing and this "imported inflation" is affecting all stakeholders and Indian consumers. "These prices are showing no immediate signs of moderating, and some exporting countries like Indonesia have also started regulating exports of palm oil by way of licensing," the statement said. —FE BUREAU

BMC corporator's '17 win null & void: Court

EXPRESS NEWS SERVICE MUMBAI, FEBRUARY 21

THE SMALL causes court on Monday declared null and void a BMC councillor's election win. Setting aside the election of Prakash More, who was elected from ward 159 in 2017, the court declared Komal Jamsandekar as the councillor.

In 2017, Jamsandekar had secured the second highest votes, lagging behind More in the ward comprising Asalpha area in Ghatkopar. She challenged More's win by filing an election petition before the small causes court under the

Representation of the People Act. She disputed his win on grounds of suppression of information, giving wrong information and not furnishing information including his assets and liabilities. The additional chief judge set aside the election result.

"Election of respondent No.1 - Prakash Devji More as Councillor of Municipal Corporation of Greater Mumbai of ward No.159 is hereby declared as null and void and is hereby set aside. Petitioner Smt. Komal Kamlakar Jamsandekar is hereby declared as Councillor from ward No.159 MCGM of the Municipal Corporation of

Greater Mumbai under Section 33(2) MMC Act having secured second highest number of valid votes in the election held in month of February, 2017," the operative part of the order said. While More's lawyers sought a stay on the order to give them time to file an appeal, the plea was rejected by the court.

Komal Jamsandekar, former Shiv Sena corporator and wife of Kamlakar Jamsandekar who was murdered allegedly by gangster Arun Gawali, will not get much time as a corporator since the current five-year term of BMC corporators ends on March 8. BMC polls are likely to be held in the first week of April.

Anganwadi workers to begin 3-day protest tomorrow over wages, pension

RUPSA CHAKRABORTY MUMBAI, FEBRUARY 21

ANGANWADI WORKERS in Maharashtra will be undertaking a three day sit-in protest at Azad Maidan ground from February 23 seeking an increase in their honorarium to up to Rs 15,000 per month along with a monthly pension after retirement. The present honorarium for anganwadi workers and helpers is Rs 8,500 and Rs 4,500 respectively. Even as anganwadi workers in Delhi have been on strike since January 31, a total of 200 health-care staffers from the districts of Thane, Palghar, Mumbai and Raigad will be protesting till February 25. Subsequently, between February 28-March 7, they will hold district-wise agitation in front of the offices of Zilla Parishad and Child development project officers. They have also scheduled a morcha on March 9, close to the state budget on March 11.

"After serving for 25 years, the amount of Rs 1 lakh is too less. Anganwadi workers end up spending it, ending up penniless," said Kamal Parulekar, secretary, Anganwadi Sevika Union general.

BMC to appoint steering panel to oversee Shivaji Park maintenance

SANJANA BHALERAO MUMBAI, FEBRUARY 21

FOLLOWING THE controversy over the dust-mitigation work in Shivaji Park in Dadar, the Brihanmumbai Municipal Corporation (BMC) has decided to appoint a citizen-led steering committee to oversee the maintenance of the park.

BMC will float a Rs 60 lakh tender for the maintenance of the park that will include security, watering of the lawn and trees around the periphery, maintenance of newly installed sprinklers and rainwater harvesting units. The steering committee will work as a watchdog. Last week, citizens on various

social media platforms had alleged that the BMC is constructing a concrete patch in the middle of the park, dividing it into two. The Mumbai civic body refuted the claims and stated that dust prevention work is undertaken on the ground. "It is once again stated that the part of the Chhatrapati Shivaji Maharaj Maidan where the work is in progress is the mud track and rainwater harvesting units, and not a concrete path. Gravel has been laid under the track. The same method has been used at Wankhede Maidan and Brabourne Maidan in Mumbai," stated the BMC. Mumbai Mayor Kishori Pednekar inspected the ongoing work at Shivaji Park on Monday.

BMC to hold public hearing on draft delimitation

EXPRESS NEWS SERVICE MUMBAI, FEBRUARY 21

THE BRIHANMUMBAI Municipal Corporation (BMC) will hold a public hearing on the draft of electoral ward boundaries for the next two days. On Monday, the BMC's election department asked citizens to come for a public hearing on February 22 and 23 at Yashwantrao Chavan Auditorium on Nariman Point between 11 am to 4 pm. The BMC had received 816 public suggestions and objections from citizens and political parties on change in ward boundaries and increase in number of wards from 227 to 236.

Officials said they have urged citizens who had not received civic body's letters to visit the election department's office in Masjid Bunder.

PIL against delimitation notification politically motivated, pay Rs 25k fine each: HC to petitioners

OMKAR GOKHALE MUMBAI, FEBRUARY 21

OBSERVING IT to be a "politically motivated" PIL, the Bombay High Court on Monday dismissed a plea filed by two BJP and MNS workers challenging the draft delimitation notification issued by Brihanmumbai Municipal Corporation (BMC) Commissioner Iqbal Singh Chahal for the upcoming civic elections.

A division bench of Justice AA Sayed and Justice Abhay Ahuja also imposed a cost of Rs 25,000 each on the two petitioners, Nitesh Rajhans Singh of the BJP and Sagar Kantil Devre of the MNS. The amount is to be paid to the Maharashtra State Legal Services Authority within three weeks from Monday.

Singh and Devre had challenged the "legality and propriety" of the BMC delimitation notification published on February 1, claiming that the State Election Commission (SEC) had not delegated such powers to the corporation.

The BMC had published the notification along with the new map of the wards and sought public feedback on it till February 14.

Under the draft delimitation plan, the number of wards in the city has been increased from 227 to 236, and the

boundaries of the wards have also been changed. Of the nine new wards, three each have been added from the island city, the western suburbs and the eastern suburbs.

The court, in its order, observed that there is no merit in the petitioners' contention that BMC Commissioner was not competent to issue notification.

The bench accepted submission by advocate Sachindra Shetye for the SEC, who said the contention of the petitioners was misplaced as the poll body on January 27, 2005 had stipulated that while the state government cannot change the overall boundaries of the civic body, it put no restrictions on changing the boundaries of individual wards.

Noting that PIL was "misconceived," the bench imposed costs on the petitioners and observed: "The PIL filed by members of rival political parties to the ruling coalition government, appears to be politically motivated ostensibly filed in public interest, and without any averment whether the petitioner had raised any objections to the draft Notification, for which the last date was February 14."

Disposing of the plea, it also held that petitioner failed to prove that the exercise to change the boundaries of the wards is being done to gain political mileage.

Amid allegations of CRZ rules violation, civic body inspects Narayan Rane's Juhu bungalow

EXPRESS NEWS SERVICE MUMBAI, FEBRUARY 21

THE BRIHANMUMBAI Municipal Corporation (BMC) on Monday completed its inspection of Union Minister Narayan Rane's bungalow in Juhu following the complaint of illegal construction and flouting of Coastal Regulation Zone (CRZ) rules. A team of nine officers from K-west ward (Andheri) visited the seven storey bungalow 'Adhish' and took photographs, measurements inside the bungalow and checked documents related to approvals.

The BMC had issued a notice to the bungalow under section 488 of Mumbai Municipal Corporation (MMC) Act, 1888 regarding the inspection. According to sources, after the Bombay High Court questioned the BMC over its promptness in demolishing actor Kangana Ranaut's bungalow, the civic body is proceeding with caution in Rane's matter.

The BMC's action came af-

Narayan Rane

ter Right To Information (RTI) activist Santosh Daundkar filed a reminder complaint alleging it did not take any action on his previous complaints regarding illegal construction of the bungalow.

The bungalow has been in the news for the past few years over alleged illegalities. Daundkar said he had filed a complaint since the bungalow, built within 50 metres of the sea, violated CRZ rules, 1991.

Mumbai Mayor Kishori Pednekar said the civic body's action was as per the law. "The BMC is not doing this suddenly,

but Mr Rane himself has said the BMC had gone to them four years ago also. Hence, the BMC is just doing its job of inspection and we are certain that Mr Rane will cooperate," he told the reporters.

On Monday, BJP MLA and Rane's son Nitesh Rane told the reporters about the notice.

"We will cooperate with the BMC and my father (Narayan Rane) is present at the bungalow," he said.

Earlier, on Saturday, addressing a press conference, Rane denied any illegality in the bungalow.

Prithviraj Chauhan, Assistant Municipal Commissioner of BMC's K west ward who conducted the inspection, did not respond to calls.

The notice to Rane comes in the backdrop of the father-son duo taking on the Shiv Sena and criticising the party leadership. Recently, at a press conference, Rane had alleged that Uddhav Thackeray's bungalow in Bandra was constructed illegally and it was regularised by paying a penalty to the BMC.
