

## Pre - Finale Results \_ MaterialNEXT 3.0

| Team ID  | Team Name                              | Participating Institute | Research / Start up track      |
|----------|--|-------------------------|--------------------------------|
| RES22064 | Combinatorial Materials                | IIT Hyderabad           | Materials Recycle and Recovery |
| RES22096 | NanoTribe                              | IIT Hyderabad           | Nano Materials                 |
| RES22129 | Particle and Surface Engineering Group | IIT Delhi               | Nano Materials                 |
| RES22172 | Reclaimers                             | IIT Patna               | Materials Recycle and Recovery |
| RES22185 | TCN -IITRPR                            | IIT Ropar               | Hydrogen & CO2                 |
| RES22336 | Materials Engineering Lab              | IACS Kolkata            | Nano Materials                 |
| RES22396 | SDSCON                                 | IIT Roorkee             | Alternate Construction         |
| RES22495 | Gati                                   | IIT Madras              | Alternate Construction         |

Congratulations and Good Luck to the Teams!  
Thank you to everyone who participated.
