**Independent auditor's report
to the shareholders of Bangla Steel & Mining Co. Ltd**

Report on the financial statements

We have audited the accompanying financial statements of Bangla Steel & Mining Co. Ltd (the 'Company'), which comprise the statement of financial position as at 31 March 2016 and statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Bangladesh Financial Reporting Standards (BFRSs) and for such internal control as management determines is necessary to enable the preparation of these financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Bangladesh Standards on Auditing (BAS). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of Bangla Steel & Mining Co. Ltd as at 31 March 2016, and of its financial performance and its cash flows for the year then ended in accordance with Bangladesh Financial Reporting Standards.

Report on other legal and regulatory requirements

In accordance with the Companies Act 1994, we also report the following:

- a) we have obtained all the information and explanation which to the best of our knowledge and belief were necessary for the purpose of our audit and made due verification thereof;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as it appeared from our examination of those books; and
- c) the statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account.

1 Reporting entity

Bangla Steel & Mining Co. Ltd. was incorporated in Bangladesh as a private company limited by shares on 30 November 2005. The primary objective of the company is to carry on the trades or businesses of ironmasters, steel makers, steel converters, manufacturers of ferro-manganese, colliery proprietors, coke manufacturers, miners, smelters, engineers, tin plate makers and iron founders.

The company was not operational during the period under review and is not expected to be operational in the future.

2 Basis of preparation**2.1 Statement of compliance**

The financial statements have been prepared in accordance with Bangladesh Financial Reporting Standards (BFRS) and as per the requirements of the Companies Act 1994 subject to above operational plan.

The title and format of financial statements follow the requirements of BFRS which are to some extent different from the requirement of Companies Act 1994; however, such differences are not material and in the view of management, BFRS format gives a better presentation to the shareholders.

2.2 Basis of measurement

The financial statements have been prepared on the historical cost basis.

2.3 Functional and presentational currency

These financial statements are prepared in Bangladesh Taka (Taka/Tk), which is the Company's functional currency.

2.4 Reporting period

These financial statements cover the year ended 31 March 2016.

3 Cash and cash equivalents

<i>In Taka</i>	2016	2015
Cash in hand	328.00	328.00
Cash at bank:		
Standard Chartered Bank	339,058	340,708
	339,058	340,708
