INDEPENDENT AUDIT REPORT TO THE MEMBERS BOWEN ENERGY PTY LIMITED

Audit Opinion

In my opinion, the financial report of Bowen Energy Pty Limited is in accordance with the Corporations Act 2001, including

- (a) Giving a true and fair view of the company's financial position as at 31 March 2024 and of its performance for the year ended on that date; and
- (b) Complying with Australian Accounting Standards to the extent described in Note 1, and the Corporations Regulations 2001.

Key Audit Matter:

With reference to Note 5 Going Concern paragraph in the Notes to the financial statements the company is reliant on the support from its parent entity. This is to enable the company to continue its operations and fulfill all financial obligations for at least the next 12 months. Based on available information to date the support is expected to be sufficient to cover the ongoing costs of the company including the tenement rehabilitation costs.

Basis of Accounting and Restriction on Distribution and Use

Without modifying my opinion, I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the directors' financial reporting responsibilities under the *Corporations Act 2001*. As a result, the financial report may not be suitable for another purpose.

What I have audited

I have audited the accompanying financial report, being a special purpose financial report, of Bowen Energy Pty Limited (the company), which comprises the Balance Sheet as at 31 March 2024, Statement of changes in equity, Statement of cash flows and the Income Statement for the year then ended, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Basis of Opinion

I conducted my audit in accordance with International Standards on Auditing. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial report' section of my report. I am independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Board's APES 110 Code of Ethics for professional Accountants" (the "code") that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the code.

Independence

I confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of the company, would be in the same terms if given to the directors as at the time of this audit report. I believe that the audit evidence that I have obtained is sufficient and appropriate to provide a basis for my opinion.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF BOWEN ENERGY PTY LIMITED (Continued)

Other information

The directors are responsible for the other information. The other information comprises the information included in the company's annual report for the year ended 31 March 2024, but does not include the financial report and my auditor's report thereon.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and in doing so, consider whether the other information is materially consistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

The Responsibility of the Directors for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with International Accounting Standards and the Corporations Act 2001 and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibility

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of my responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at <http://www.auasb.gov.au>. This description forms part of the auditor's report.
