Opinion

1. We have audited the accompanying standalone quarterly financial results of Tata Steel Limited (hereinafter referred to as "the Company") for the quarter ended December 31, 2024 and the year to date results for the period from April 1, 2024 to December 31, 2024, attached herewith (the "Standalone Financial Results") which are included in the accompanying 'Standalone Statement of Profit and Loss for the quarter/nine months ended on 31st December 2024' (the Statement), being submitted by the Company pursuant to the requirement of Regulation 33 and Regulation 52 read with Regulation 63 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations, 2015").
2. In our opinion and to the best of our information and according to the explanations given to us, the Standalone Financial Results:
 - (i) are presented in accordance with the requirements of Regulation 33 and Regulation 52 read with Regulation 63 of the Listing Regulations, 2015 in this regard; and
 - (ii) give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the quarter ended December 31, 2024 as well as the year to date results for the period from April 1, 2024 to December 31, 2024.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Results' section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Results under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

4. We draw attention to Notes 2, 3 and 4 to the Statement in respect of Schemes of Amalgamation between the Company and its subsidiaries, namely, The Indian Steel & Wire Products Limited (ISWPL) and Angul Energy Limited (AEL), with effect from the appointed date of April 1, 2022, and Bhubaneswar Power Private Limited (BPPL) with effect from the appointed date of April 1, 2023 ("the Schemes") as approved by the National Company Law Tribunal. These Schemes have been accounted for in the Statement in accordance with the accounting treatment specified in the Schemes, that is, Ind AS 103 - Business Combinations, which is the beginning of the preceding period. Accordingly, figures for the quarter ended December 31, 2023, nine months ended December 31, 2023 and year ended March 31, 2024, reflect the restated amounts giving effect to the aforesaid amalgamations.

Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Standalone Financial Results

5. These quarterly Standalone Financial Results as well as the year to date Standalone Financial Results have been prepared on the basis of the interim financial statements. The Company's Board of Directors are responsible for the preparation of these Standalone Financial Results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 and Regulation 52 read with Regulation 63 of the Listing Regulations, 2015. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

8. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

Price Waterhouse & Co Chartered Accountants LLP

10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with an annual statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

12. In accordance with the Scheme of Amalgamation of AEL and the Company referred to in Note 3 to the Statement, the comparative figures for the quarter ended December 31, 2023, nine months ended December 31, 2023 and year ended March 31, 2024 have been restated to include the special purpose financial information of AEL, which reflect total revenue of Rs. 120.17 crores, Rs. 236.42 crores and Rs. 486.40 crores, net profit of Rs. 21.13 crores, Rs. 821.37 crores and Rs. 844.64 crores and total comprehensive income (comprising of profit and other comprehensive income) of Rs. 21.40 crores, Rs. 821.99 crores and Rs. 845.16 crores for the quarters ended December 31, 2023, period from April 1, 2023 to December 31, 2023 and year ended March 31, 2024 respectively. These special purpose financial information and other financial information have been audited by other auditors whose reports have been furnished to us and have been relied upon by us. We have audited the adjustments made by the management consequent to the amalgamation of AEL with the Company to arrive at the restated comparative figures for the quarter ended December 31, 2023, nine months ended December 31, 2023 and year ended March 31, 2024.

Our opinion is not modified in respect of the above matter.

Review Report

To

The Board of Directors
Tata Steel Limited
Bombay House,
24, Homi Mody Street,
Fort, Mumbai – 400001

1. We have reviewed the consolidated unaudited financial results of Tata Steel Limited (the “Holding Company”), its subsidiaries (the Holding Company and its subsidiaries hereinafter referred to as the “Group”), and its share of the net profit/ (loss) after tax and total comprehensive income/ loss of its jointly controlled entities and associate companies (refer paragraph 4 below) for the quarter ended December 31, 2024 and the year to date results for the period April 1, 2024 to December 31, 2024 which are included in the accompanying ‘Consolidated Statement of Profit and Loss for the quarter/nine months ended on 31st December 2024’ (the “Statement”). The Statement is being submitted by the Holding Company pursuant to the requirement of Regulation 33 and Regulation 52 read with Regulation 63 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the “Listing Regulations, 2015”), which has been initialled by us for identification purposes.
2. This Statement, which is the responsibility of the Holding Company’s Management and has been approved by the Holding Company’s Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 “Interim Financial Reporting”, prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (‘SRE’) 2410 “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”, issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

5. The Board of Directors of the Company at its meeting held on July 31, 2024, considered, and approved the amalgamation of Rujuvalika Investments Limited ("RIL") into and with the Company, by way of scheme of amalgamation (Scheme). The Scheme is subject to certain conditions, including approval from regulatory authorities and sanction of the Scheme by the relevant bench of the NCLT.

The amalgamation will ensure simplification of management structure, better administration and reduction/rationalisation of administrative and operational costs over a period of time and the elimination of duplication and multiplicity of compliance requirements.

6. Tata Steel Europe Limited ("TSE"), a wholly owned step-down subsidiary of the Company, is exposed to certain climate related risks which could affect its future cash flow projections. The cashflow projections include the impact of decarbonisation given that both the TSUK and TSN businesses within TSE have stated their plans to move away from the current production process and transition to electric arc furnace based production. Decarbonisation as a whole is likely to provide significant opportunities to TSE as it is likely to increase the demand for steel as it is crucial as an infrastructure enabler for all technological transition within the wider economy (e.g., wind power, hydrogen, electric vehicles, nuclear plants etc.) and compares favourably to other materials considering the life cycle emissions of the material. The technology transition and investments are dependent on national and international policies and would also be driven by the Government decisions in the country of operation. Management's assessment is that generally, these potential carbon reduction related costs would be borne by the society, either through higher steel prices or through public spending or subsidies.

On September 15, 2023, Tata Steel UK Limited ("TSUK") which forms the main part of the UK business, announced a joint agreement with the UK Government on a proposal to invest in state-of-the-art electric arc furnace ('EAF') steelmaking at the Port Talbot site with a capital cost of £1.25 billion inclusive of a grant from the UK Government of up to £500 million.

Consequent to the announcement, TSUK during FY24 had assessed and concluded that it had created a valid expectation among those affected and had accordingly recognised a provision of ₹2,492 crore towards restructuring and closure costs including redundancy and employee termination costs. TSUK had also recognised ₹2,601 crore towards impairment of Heavy End assets which were not expected to be used for any significant period beyond March 31, 2024. These provisions were also accordingly recognised in the consolidated statement of profit and loss for the Group.

During the quarter ended September 30, 2024, TSUK had re-assessed the estimate of restructuring provisions in connection with the closure of the heavy end assets and associated transformation activities and recognised an additional provision of ₹34.21 crore (for the half year ended September 30, 2024: ₹211.46 crore) which was included within Exceptional item 8(f) in the consolidated financial results.

During the quarter ended December 31, 2024, there is no change in the amount of restructuring provisions recognised earlier in connection with the closure of the heavy end assets and associated transformation activities for TSUK.

The Grant Funding Agreement (GFA) for the decarbonisation proposal was signed with the UK Government on September 11, 2024. With the UK Government funding available under the GFA and a commitment to infuse equity into TSUK through T Steel Global Holdings Pte. Ltd. ("TSGH"), a wholly owned subsidiary of the Company, TSUK now has the certainty that the funding is available for its decarbonisation proposal from both the UK Government and the Company. Accordingly, it was concluded during the quarter ended September 30, 2024 that there does not exist any material uncertainty relating to going concern assessment of TSUK and that TSUK has access to adequate liquidity to fund its operations.

With respect to Tata Steel Nederland ("TSN") operations which forms main part of the MLE business, discussions with the government on the proposed decarbonisation roadmap have been initiated. The transition plan considers that the policy environment in the Netherlands and EU is supportive to the European steel industry and a level playing field would be achieved by, either one or a combination of: a) Dutch Policy developments, b) Convergence with EU on (fiscal) climate measures, enabling EU steel players to pass on costs and c) Tailor made support mechanisms. In relation to the likely investments required for the decarbonisation of TSN operations driven by regulatory changes in the Europe and the Netherlands, inter-alia, the scenarios consider that the Dutch Government will provide a certain level of financial support to execute the decarbonisation strategy, which are under discussion between the Company, TSN and the Dutch Government.

On December 19, 2024, the Environment Agency (EA) of the Netherlands imposed two orders under penalty ("Orders") on Tata Steel IJmuiden (TSIJ), a wholly owned subsidiary of TSN, for a maximum amount of ~₹239 crore stating non-compliance of emission thresholds for operations of its Coke and Gas Plants (CGP 1 and CGP 2) with a period of 8 weeks for TSIJ to reduce the emissions within the threshold limits.

In addition, the EA had also sent a Notice on non-compliances regarding certain state of maintenance of its CGP2 plant. Further to the Notice, it has given TSIJ a period of 12 months to remedy the non-compliances, failing which, the permit for operating CGP 2 can get revoked.

TSIJ is currently working on various actions in connection with the Orders and Notices received. On the former, TSIJ has initiated actions related to verification of the data on emissions and evaluating possible options for a technical solution. It is also evaluating the option to file an Injunctive relief with the Administrative Court in the Netherlands to seek a suspension of the impugned Orders, which for the later has already been filed with the Court. Further, it shall also file objections against the Orders and Notice for non-compliance with the appropriate authority in due course.

As a part of the decarbonisation roadmap for the steel operations in the Netherlands, discussions are also ongoing between Tata Steel Limited, Tata Steel Netherlands and the Government authorities on a composite plan to address the reduction of carbon emissions and environmental concerns of the local community and authorities.

Considering the various actions which TSIJ plans to pursue within the remediation period, the outcome of which is currently uncertain, and given the ongoing discussions to arrive at a comprehensive solution for Co2 emissions and environmental concerns with the Dutch Government, as aforesaid, the Company believes that the Orders and the Notice are unlikely to lead to a closure of the Coke and Gas Plants and pose an impediment to its current business operations.

Based on the above, the latest available cash flow and liquidity forecasts and other available measures, MLE business is expected to have adequate liquidity to meet its future business requirements.

On such basis, the financial statements of TSE have accordingly been prepared on a going concern basis. The Group has assessed its ability to meet any liquidity requirements at TSE, if required, and concluded that its cashflow and liquidity position remains adequate.

The recoverable value of investments held in T Steel Holdings Pte. Ltd. ("TSH"), a wholly owned subsidiary of the Company is dependent on the operational and financial performance of TSE, Tata Steel Minerals Canada ("TSMC") and net assets of other underlying businesses.

The recoverable value of investments held by the Company in T Steel Holdings Pte. Ltd., which in turn holds investments in TSE, has accordingly been primarily assessed based on fair value less cost to sell (FVLCTS) models for the TSUK and TSN businesses, which, inter-alia, considers impact of switching the heavy end and other relevant assets to a more "Green Steel" capex base.

If any of the key assumptions in the aforesaid models change, there is a risk that the headroom as per the model would reduce and a reduction in the headroom could lead to a possible impairment of the carrying value of investments held in TSH. The Company, however, believes that the key assumptions represent the most likely impact of the decarbonisation proposal at this point in time. Going forward, the key assumptions would be kept under review for changes, if any, based on the progress of discussions with the Government and other regulators on the decarbonisation plan.

7. The State of Odisha enacted the "Orissa Rural Infrastructure and Socio-Economic Development Act, 2004 (ORISED Act)" with effect from February 01, 2005, levying tax on mineral bearing land.

The Company during FY06 had received various demands amounting to ₹129 crore pertaining to the period FY05 and FY06 in respect of its mines in the State of Odisha. The Company had filed a writ petition in the Hon'ble High Court of Orissa challenging the constitutional validity of the Act on the ground that the State of Odisha lacks the legislative authority to enact ORISED Act, 2004 and therefore the same is unconstitutional. The Hon'ble High Court of Orissa in December 2005 held that the State does not have the legislative authority to levy tax on minerals. The State of Odisha had challenged the Judgment of the Hon'ble High Court before the Hon'ble Supreme Court. Subsequently, the matter relating to legislative authority of the States to tax minerals, was referred to the Constitution Bench of the Hon'ble Supreme Court.

The Judgement of the Constitution Bench of the Hon'ble Supreme Court was pronounced on July 25, 2024. The Hon'ble Supreme Court ruled that the Mines and Minerals (Development & Regulation) Act will not denude the States of the power to levy tax on mineral rights. The Constitution Bench further directed the listing of the pending matters before an appropriate Regular Bench of the Hon'ble Supreme Court. This was followed by an Order dated August 14, 2024 of the Constitution Bench of the Hon'ble Supreme Court, directing/clarifying certain matters in respect of its Judgement dated July 25, 2024.

Notwithstanding the recent Judgement dated July 25, 2024 and August 14, 2024 of the Constitution Bench of the Hon'ble Supreme Court laying down the principle of law, pending hearing of the Appeal filed by the State of Odisha before the appropriate Regular Bench of the Hon'ble Supreme Court against the Judgement and Order of the Hon'ble High Court of Orissa which had declared the ORISED Act, 2004 to be unconstitutional and inoperative, it is unclear/uncertain as regards the form and manner in which the ORISED Act, 2004 may get enacted once the decision of the Hon'ble High Court of Orissa is set aside by the Hon'ble Supreme Court, which currently is pending.

The Company has filed a Curative petition before the Hon'ble Supreme Court of India on January 17, 2025, invoking extraordinary jurisdiction of the Hon'ble Supreme Court of India under Article 142 of the Constitution of India read with order XLVIII, Rule 1 of the Supreme Court Rules, 2013 in respect of the Order dated September 24, 2024 passed by the Constitutional Bench of the Hon'ble Supreme Court of India dismissing the review petition against judgment dated July 25, 2024 and August 14, 2024, which is pending.

Accordingly, the Company would be able to assess the financial impact, if any, of the possible obligation only on the occurrence or non-occurrence of uncertain future events, related to the legal course, not entirely within the control of the Company, and the consequent actions of the Union and the State Government.

While the Company had previously reported and disclosed an estimated contingent liability towards possible obligation under the aforesaid ORISED matter, as on date, based on the above uncertainty, along with an opinion from senior legal counsel obtained by the Company, there is no present/legal obligation in respect of the levy related to the ORISED Act, 2004 and its financial impact along with the possibility of outflow at this stage is unlikely.

The Company has, accordingly, not recognised any provision in its standalone and consolidated financial results.

8. During the nine months ended December 31, 2024, the entire outstanding amount of loan to T Steel Holdings Pte. Ltd. amounting to US\$ 564.75 million has been converted into equity based on the fair value of shares of T Steel Holdings Pte. Ltd. Accordingly, the carrying value of such loans amounting to ₹4,709.17 crore as on June 28, 2024 has been recorded as investment in equity shares.
9. Other expenses for the quarter and nine months ended December 31, 2024 is after considering the impact of ₹1,412.89 crore and ₹1,860.39 crore respectively (quarter ended September 30, 2024: ₹447.50 crore; quarter ended December 31, 2023: Nil; nine months ended December 31, 2023: Nil; financial year ended March 31, 2024: Nil) towards provision for claims made in earlier periods no longer required written back.
10. The consolidated financial results have been subjected to limited review and the standalone financial results have been audited by the statutory auditors.
