Exam-ready!

Thane traffic police are gearing up to help HSC and SSC students reach their exam centres on time. Last year, they helped 34 students stuck in traffic jams

Funding interest in Mumbai 3.0

Sweetey Bhagwat
MUMBAI

A high-level delegation from the OPEC Fund for International Development (OFID) has expressed strong interest in financing Metro Line 14, the proposed Kanjurmarg-Badlapur corridor, along with other metro projects being planned by MMRDA. The interest was expressed during a meeting with MMRDA commissioner

Dr Sanjay Mukherjee. OFID is already a financing partner in MMRDA's under-construction Metro Line 5 (Thane-Bhiwandi-Kalyan), where it is supporting system components. The delegation also showed keen interest in financing the Mumbai 3.0 development plan and key water supply projects in the region. Metro Line 14, proposed to be developed through a

public-private partnership (PPP) model, will be the longest metro corridor in the country, stretching from Badlapur to Kanjurmarg. Officials said the project is expected to begin this year. Once operational, it is projected to carry up to seven lakh commuters daily. The corridor will also mark a significant milestone for Mumbai's metro network, as it will be the city's first Metro line to cross the creek.

Illegal demolitions in the name of Metro-5? Traders say no DP nod

Notices issued in Nov 2025; demolitions carried out in Bhiwandi in 24 hours, rendering thousands homeless

Danish Azmi
BHIWANDI

Serious allegations have been levelled against the Bhiwandi-Nizampur Municipal Corporation (BNMC) over the demolition of several shops and houses along the Anjurphata-Rajiv Gandhi Chowk stretch, allegedly carried out in the name of the Metro-5 project.

The Kalyan Road Vyapari Va Rahivashi Sangharsh Samiti has claimed that the action is illegal as neither the Development Plan (DP) has been approved by the state government nor has the Mumbai Metropolitan Region Development Authority (MMRDA) sought any road widening or demolition for the metro corridor.

Citing official correspondence received by Samajwadi Party state president and MLA Abu Asim Azmi, the committee alleged that the demolitions were carried out to benefit builders rather than

Local civic reps had justified the swift demolitions by claiming that it was a “dream project” of Chief Minister

for any genuine public infrastructure requirement.

After being informed by the affected traders and residents, Azmi facilitated a delegation's meeting with Deputy Chief Minister Eknath Shinde, seeking intervention. Subsequently, the state government, in a written reply to Azmi, clarified that the 2023 DP has not yet been sanctioned.

Further strengthening the committee's claims, the MMRDA, in its letter to Azmi, categorically stated that it had never requested BNMC to carry out any demolition or road widening for Metro-5 between Anjurphata and Rajiv Gandhi Chowk. The letter also mentioned that

considering the rehabilitation challenges, the metro alignment from Rajiv Gandhi Chowk towards Temghar has been planned as an underground corridor.

Despite these clarifications, local civic representatives had earlier justified the swift demolitions by claiming that Metro-5 was a “dream project” of Chief Minister Devendra Fadnavis. The committee has termed such statements misleading and politically motivated.

In November 2025, the civic body issued notices to thousands of shops and residential structures located on both sides of the Old Agra Road from Anjurphata to Rajiv Gandhi Chowk (Kalyan Naka), claiming that the structures fell under a “sanctioned Development Plan” and the proposed Metro-5 project. Shockingly, the notices were followed by demolition within 24 hours, rendering thousands of families homeless and unemployed.

Vasai rejoices as Ayush Mhatre leads India to Under-19 WC victory

Kirti Kesarkar
VASAI

The streets of Vasai were filled with echoes of celebration on Friday evening as local boy Ayush Mhatre captained the Indian Under-19 cricket team to a spectacular World Cup victory. The young captain, hailing from Umrle village, has become the talk of the town, with every household in the region celebrating this historic achievement.

Ayush's success is the result of years of “tapasya” (rigorous dedication) and a deep-rooted passion for the game since childhood. His father, Yogesh Mhatre, recalled the early signs of his son's talent. “Ever since he was a toddler, Ayush would treat every round object as a cricket ball. That's when we realised his heart was in cricket. Seeing his growing interest, we encouraged him to pursue the sport seriously.”

Throughout the final match, the atmosphere at the Mhatre residence was electric. With every wicket taken and every run scored, his parents, family members, and local villagers erupted in joy.

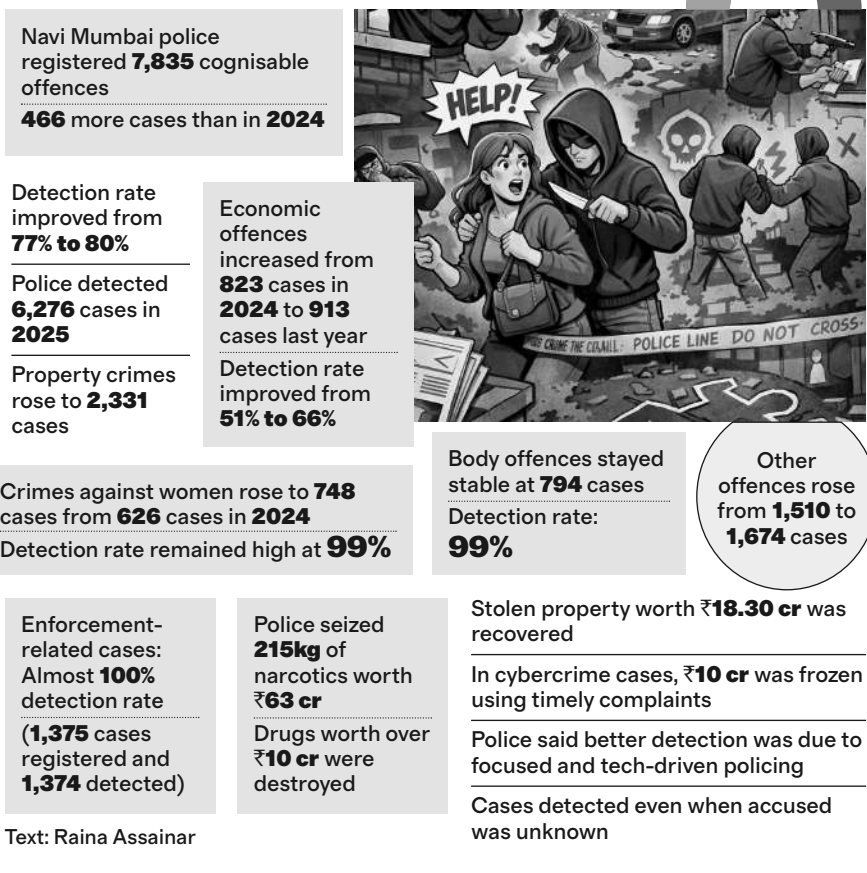

His father said ever since he was a toddler, Ayush would treat every round object as a cricket ball

When the final victory was clinched, Ayush's parents were moved to tears of pride and happiness.

The entire Mhatre community, the village of Umrle, and the city of Vasai were beaming with pride. From a local boy with a dream to a World Cup-winning captain, Ayush has firmly placed Vasai on the global cricketing map, they said.

Navi Mumbai saw rise in crime in 2025, detection improved to 80%

Traffic cases rose, fatal accidents too

Navi Mumbai: The traffic police registered 9.80 lakh cases under the Motor Vehicles Act in 2025, a sharp rise from 8.87 lakh cases in 2024, according to official data. Riding without helmets topped violations at 2.03 lakh cases, up from 1.77 lakh last year. Signal jumping rose to 72,861 cases from 46,077, while dangerous driving more than doubled to 3,471. CCTV-detected violations increased to 162 lakh.

Seatbelt violations fell to 1.14 lakh from 1.31 lakh, and speeding declined to 1.11 lakh from 1.22 lakh. The police recovered Rs14.88 crore in compounding fees, while 61,473 cases settled via Lok Adalats generated Rs5.96 crore. Fatal accidents declined to 267 from 286, with casualties dropping to 281. The decline was attributed to stricter enforcement, CCTV surveillance.

211 drugs banned in three years; enforcing laws lies with states, says minister in LS

Amit Srivastava
MUMBAI

The Central Drugs Standard Control Organisation (CDSCO) has banned 172 drugs for human use and 39 drugs for animal use in the last three years, the Union minister for chemicals and fertilisers, Jagat Prakash Nadda, informed the Lok Sabha in a written reply on Friday.

The minister said the manufacture, sale, and distribution of banned drugs is a punishable offence under the Drugs and Cosmetics Act, 1940. Enforcement action against such violations is carried out by the state licensing authorities appointed by the respective state govern-

When complaints of banned drugs are received by CDSCO, the matter is taken up with state drugs controller

ments. However, following the ban on certain Fixed Dose Combinations (FDCs), several writ petitions were filed in different high courts across the country. In some cases, courts granted interim protection for drugs that were already part of the distribution network.

Nadda said whenever complaints related to the sale of banned drugs are received

by CDSCO, the matter is promptly taken up with the state drugs controller concerned, for appropriate action under the law.

The Ministry of health and family welfare said any change in the composition of active pharmaceutical ingredients requires prior approval from CDSCO under the New Drugs and Clinical Trial Rules, 2019, before a manufacturing licence can be granted by the state authority.

Further, the Drugs and Cosmetics Rules, 1945, were amended in November 2019 through GSR 828(E) to strengthen oversight on drug branding. Under the amended rules, applicants intending to market a drug

under a brand or trade name must submit an undertaking in Form 51, certifying that the proposed name does not already exist and will not cause confusion or deception in the market.

The undertaking must be based on searches conducted in the trademark registry, CDSCO's central database of drug brand names, relevant literature, reference books, and internet sources.

The minister added that cases involving the manufacture or marketing of drugs with altered compositions without CDSCO approval are also referred to the state drugs controllers for action under the applicable provisions of the Drugs and Cosmetics Act and Rules.

Art collab for Homo Faber Biennial

Mumbai: JSW Foundation has announced its partnership with Michelangelo Foundation for Creativity and Craftsmanship to support the participation of Indian artisans at the fourth edition of the Homo Faber Biennial, to be held in September at the Fondazione Giorgio Cini on San Giorgio Maggiore Island in Venice. The biennial brings together exceptional artisans from across the world, spotlighting craftsmanship as a living, evolving creative practice. The collaboration was announced at the India Art Fair on Thursday, in the presence of Tarini Jindal Handa and Sangita Jindal.

SENA FACTIONS TO SHARE SPACE

BMC starts allotment of party offices; BJP retains old space

Cong, Shiv Sena factions swap initially allotted spaces, AIMIM to get independent office for first time

PratiP Acharya
Mumbai, February 6

WITH THE registration of all major political parties following the civic polls concluding earlier this week, the Brihanmumbai Municipal Corporation administration has begun allotting party offices inside the civic headquarters, based on the numerical strength of each party in the newly elected House.

The Bharatiya Janata Party, the single largest party with 89 seats, became the first to stake claim to its office on Friday, retaining the space it occupied during the 2017 to 2022 term. Located at the south end corridor of the old BMC building, the office includes two work areas, a private room, a conference room and a large hall for meetings. A delegation of newly elected corporators and party workers took possession of the office on Friday and performed a puja.

"We are very happy with this since during our previous tenure we operated from here. In our demand letter our party requested the administration if we can get this office this year as well," a senior party functionary told The Indian Express.

Party offices inside the BMC headquarters were shut after the tenure of the elected body ended in 2022. However, the BJP office was reopened last year after the State Election Commission set up a temporary facility there for the civic polls held in January.

Sena factions to share traditional Sena office

Adjacent to the BJP office will be the offices of the two factions of the Shiv Sena. The space, traditionally occupied by the undivided Sena for nearly two decades when it remained the largest party in the civic body, is among the biggest party offices in the BMC, with a large hall, two private meet-

(Above) The Shiv Sena office and (below) the BJP office. GANESH SHIRSEKAR

ing rooms and a conference room.

Civic officials said the hall will now be bifurcated, with each faction being allotted one private meeting room and a conference room.

The Uddhav Balasaheb Thackeray faction has emerged as the second largest party with 65 seats, while the Eknath Shinde faction has secured 29 seats.

"Initially we were told to take the office which was given to the Congress in between 2017 to 2022. However, since the newly bifurcated office belonged to the undivided Shiv Sena we preferred keeping it with us," Ameya Ghole, group leader of the Shinde faction of the Sena, told The Indian Express.

Congress retains old office

The Indian National Congress, which has won 24 seats, will continue to operate from its earlier office. Initially, the party had been allotted the space now being claimed by the Sena factions. "We had demanded the administration to allot us our previous office only since all our old documents continue to stay there. Also, we have 16 women corporators therefore this space will be safe for us as well. As a result, when we came to know that this office was being given to Shinde Sena we demanded that it should be given to us and we mutually agreed to give it to them and take possession of this one," Ashraf Azmi, leader of the Congress in the BMC, told Express.

Azmi said refurbishing work at the allotted office is underway and the corporators will take possession from next month. The space includes a common hall, private seating area and a conference room.

When contacted, Kishori Pednekar, leader of the Sena UBT in the BMC, said, "We have been notified that our office space has been allotted but I didn't visit it yet since the ancillary works are underway. We will carry out a visit inspection after the Mayor gets elected next week."

work at the allotted office is underway and the corporators will take possession from next month. The space includes a common hall, private seating area and a conference room.

AIMIM to get first independent office

The All India Majlis-e-Ittehadul Muslimeen, which has won eight seats and will also have one nominated corporator, is set to get an independent office in the BMC for the first time.

JHANVI KUKREJA MURDER TRIAL

How careless handling of evidence weakened prosecution's case

Court convicted one accused—but flagged issues with the spot panchnama

Sadaf Modak
Mumbai, February 6

Mother Nidhi and daughter Jhanvi. FILE

IT WAS the careless handling of articles seized from the crime scene that weakened the case against one of the accused in the murder of 19-year-old Jhanvi Kukreja at a New Year's Eve party in Mumbai in 2021. A Mumbai court recently said the collection of evidence was defective, noting that the items were wrapped in a bedsheet, instead of being sealed as per procedure.

The background of the case

On January 1, 2021, Kukreja's body was found on the ground floor of a staircase in a residential building in the western suburbs of Khar. Kukreja had attended a New Year's Eve party with her friends on the building terrace and was allegedly killed during a scuffle.

The police arrested Kukreja's

childhood friend, Diya Padalkar, and another friend, Shree Jogdhankar, claiming that they had killed her. The police claimed that Kukreja and Jogdhankar were in a relationship, and that his 'flirtatious' behaviour with Padalkar at the party had led to an argument between the couple that escalated into a fight.

On January 31, the sessions court in Mumbai convicted Jogdhankar on charges of murder, sentencing him to life imprisonment, while acquitting Padalkar, giving her the "benefit of doubt".

What was the evidence the police cited?

As evidence, the police had presented articles seized from the murder spot, the building

lobby, and the staircase where the alleged fight took place. The evidence included Kukreja's clothes, her jewellery, and articles belonging to the accused, to show their presence at the spot. The police had also seized a bedsheet from a flat in the building, where the party's host resided and where Padalkar allegedly lay down after the incident.

The police had claimed that the bedsheet had traces of blood, belonging to both Kukreja and Padalkar, alleging that this was therefore crucial evidence to show her involvement. These articles were seized in a procedure called 'spot panchnama', where articles are seized and secured from the spot

where a crime takes place in the presence of independent wit-

nesses or panchas. The court, however, found that the spot panchnama was not done properly.

What issues did the court flag with evidence collection?

A police sub-inspector had conducted the spot panchnama. The police had claimed that a forensic expert was called to the spot to collect the evidence, incriminating articles were seized, and then sent for forensic analysis.

The defence lawyers for the accused, however, referred to CCTV footage. The court was told that the footage showed a forensic technician reach the spot and collect samples. After he left the spot, the articles were kept in polythene bags and wrapped in a bedsheet. The policeman then told the security guard of the building to carry the bundle to the police vehicle. The lawyers said that this was a complete violation of procedure, as there was no sealing of evidence, no independent witnesses, and that the evidence was carelessly put in a bedsheet.

The lawyers also referred to the Police Manual, where Rule 148(2) states the procedure to handle evidence.

Newly elected BMC House composition

Party offices are allotted based on the numerical strength of each party in new House

---	---

Express News Service
Mumbai, February 6

WESTERN RAILWAY (WR) has collected over ₹172 crore in fines by detecting ticketless and irregular travel during intensive ticket checking drives conducted between April 2025 and January 2026, officials said on Thursday. The recovery marks a nearly 47 per cent increase compared to the corresponding period last year, when WR had collected approximately ₹117 crore during the same April-January period.

Commenting on the enforcement drive, Vineet Abhishek, Chief Public Relations Officer, Western Railway, said the checks were aimed at "minimising revenue leakage and ensur-

ing disciplined and authorised travel across both suburban and long-distance services."

According to data released by WR, more than 27 lakh cases of ticketless or irregular travel, including unbooked luggage, were detected during the current financial year period, resulting in a total recovery of about ₹172.55 crore. In comparison, around 19 lakh such cases were detected during the same period last year. In January 2026 alone, ticket checking staff detected 2.82 lakh cases and collected over ₹17 crore in fines, registering a 31 per cent increase over January 2025.

The Mumbai suburban network accounted for a significant share of the enforcement action.

BMC, SRA tussle over Worli STP land deepens

Express News Service
Mumbai, February 6

A DAY after the Brihanmumbai Municipal Corporation served notices calling for action against SRA officials and halt of work on transit camps on a Worli land parcel reserved for a sewage treatment plant, the Slum Rehabilitation Authority asked the civic body to take over possession of the STP reserved plot while also issuing directives to demolish the transit camp. However, officials from SRA maintained that with

no construction underway by the SRA developer, it is the BMC which is undertaking construction work on the plot for a new bridge.

Earlier on February 5, the BMC in a letter said that seven transit camp buildings (1 to 7) have been approved by the G/South's executive engineer (EE) of the Slum Rehabilitation Authority on the Worli plot. According to senior officials, two major sewer lines pass through the land wherein sewerage flow has been impacted owing to the construction activity.

**NOTICE**

Special Window for Transfer and Dematerialisation of Physical Securities

It is to inform our esteemed shareholders that in terms of SEBI Circular HO/38/13/11(2)2026-MIRSD-PODI/3750/2026 dated January 30, 2026 a special window to facilitate transfer and dematerialisation ("demat") of physical securities which were sold / purchased prior to April 1, 2019 has been opened for a period of one year from February 5, 2026 to February 4, 2027.

The special window is available for such transfer requests which were submitted earlier and were rejected / returned / not attended due to deficiency in documents / process / or otherwise.

The concerned investor may lodge the necessary documents, to the Bank's Registrar and Transfer Agent i.e. Kfin Technologies Limited at Selenium Tower B, Plot 31 & 32, Financial District Nanakramguda, Hyderabad, Telangana, 500032. Email: einward.ris@kfintech.com; Toll free: 1800 309 4001; website: www.kfintech.com.

We also request all the shareholders to update KYC details including PAN, email id, address, mobile number and bank account details with the DP (If shares are held in demat form) or with RTA (If shares are held in physical form), to ensure the ease of communication and seamless payment of dividend.

Shareholders holding shares in physical form are requested to demat their shares, by submitting share certificate to their Depository Participant (DP).

Notes:

1) The Significant Accounting Policies followed in preparation of these financial results, in all material aspects, are consistent with those followed in preparation of the annual financial statements for the year ended March 31, 2025.

2) The above results have been approved by the Board of Directors at their meeting held on February 06, 2026.

3) The figures for the second quarter in each of the financial years are the balancing figures between audited/reviewed figures in respect of the half year end and the published year to date reviewed figures up to the end of first quarter of the respective financial year.

4) The financial results for the nine months ended December 31, 2025 have been arrived at, after considering provisions for Non-performing assets, Standard Assets, depreciation on Fixed Assets, amortization of discount, Income on investments/ bond issue expenses and Investment Depreciation on the basis of prudential norms issued by Reserve Bank of India. Income Tax, Deferred tax and other usual and necessary provisions including employee benefits made on an estimated/ proportionate basis, wherever required and subject to adjustment at the year-end.

5) The Bank is making an additional provision on standard advances at rates higher than minimum stipulated under IRAC norms, as per the Board approved Accelerated Provisioning Policy. Accordingly, the Bank holds additional provision on standard advances (including restructured accounts) of ₹3,902.84 crore on December 31, 2025.

6) Details of loans transferred / acquired during the nine months ended December 31, 2025, under the RBI Master Direction on Transfer of Loan Exposures dated September 24, 2021 are given below:

Transfer of Loans:

i. Details of non-performing assets (NPAs) transferred:

Particulars	To ARCs	To permitted transferees	To other transferees
No. of accounts	1	-	-
Aggregate principal outstanding of loans transferred	5.44	-	-
Weighted average residual tenor of the loans transferred	Not Applicable	-	-
Net book value of loans transferred (at the time of transfer)	-	-	-
Aggregate consideration	3.43	-	-
Additional consideration realized in respect of accounts transferred in earlier years			
	-	-	-

During the nine months ended December 31, 2025, no investment made in Security Receipts (SRs). All the Security Receipts held are provided for and hence the net book value is nil. No excess provisions were reversed to the profit and loss account on account of the sale of stressed loans.

ii. The Bank has not transferred any loans not in default / Special Mention Accounts (SMA).

Purchase of Loans:

iii. The Bank has not acquired any stressed loan.

iv. Details of loans not in default acquired during nine months ended December 31, 2025, through assignment are given below:

Particulars	2025-26(9ME)	2024-25(FY)
Aggregate amount of loans acquired (₹ in crore)	551.54	1,157.11
Weighted average residual maturity (in months)	102.84	127.48
Weighted average holding period by the originator (in months)	9.16	10.43
Retention of beneficial economic interest by the originator	17.66%	20%
Tangible security coverage	190.41%	216.75%
Rating-wise distribution of rated loans	Not Applicable	Not Applicable

7) Details of Project Loans for the period ended December 31, 2025, in terms of Reserve Bank of India (Project Finance) Directions, 2025 dated June 19, 2025 are given below:

Sl. No.	Item Description	Number of accounts	Total outstanding
1	Projects under implementation accounts at the beginning of the quarter.	2494	5,678.78
2	Projects under implementation accounts sanctioned during the quarter.	625	1,247.37
3	Projects under implementation accounts where DCCO has been achieved during the quarter	1077	2,570.61
4	Projects under implementation accounts at the end of the quarter. (1+2-3)	2042	5,595.17
5	Out of '4' – accounts in respect of which resolution process involving extension in original/extended DCCO, as the case may be, has been invoked.	932	3,069.85
