About Tata Steel

Tata Steel Group is among the top global steel companies with an annual crude steel capacity of 27.5 million tonnes per annum (MTPA) as on March 31, 2017. It is a geographically-diversified steel producer, with operations in 26 countries and a commercial presence in over 50 countries. The Group recorded a consolidated turnover of US \$18.12 billion (INR 117,420 crore) in FY17. Tata Steel Group is spread across five continents with an employee base of nearly 70,000 employees as of March 31, 2017. Tata Steel has been felicitated with several awards including the Deming Grand Prize for continuous improvement in 2012, Prime Minister's Trophy for the best performing integrated steel plant for 2015-16, 'Greenco Platinum Rating' by CII Green Building Council for environmental performance at Jamshedpur Works (2016), 'Best Place To Work' in the core sector (steel, oil, power and minerals) by Business Today (2017), 'World's Most Ethical Company' award from the Ethisphere Institute (2018), among several others.

Disclaimer

Statements in this press release describing the Company's performance may be "forward looking statements" within the meaning of applicable securities laws and regulations. Actual results may differ materially from those directly or indirectly expressed, inferred or implied. Important factors that could make a difference to the Company's operations include, among others, economic conditions affecting demand/ supply and price conditions in the domestic and overseas markets in which the Company operates, changes in or due to the environment, Government regulations, laws, statutes, judicial pronouncements and/ or other incidental factors.
