Nipah virus hits monsoon retreat to north Kerala

According to travel websites, travelers are advised on the sites where it is safe to visit the southern states of which there is little to no chance of getting bitten by mosquitoes due to the lack of rainfall and resulting low numbers of mosquitos.

The website is now offering advice on how to avoid mosquito bites and reduce the risk of getting bitten by mosquitoes when visiting these areas.

Second round of admissions under RTE Act begins in city

Admissions were concluded after four rounds by the end of April, but as far as only one round has been completed.

Parents, who missed out on the application process in the first round, can apply for the remaining two rounds of admissions, which will begin on May 15. The RTE Act guarantees a seat for every child in government and aided schools.

Man ‘kills’ neighbour for ‘creating disturbance’

The accused, Ashish Jainwar, was talking to his wife on phone when the argument turned violent. Jainwar allegedly asked his wife to keep quiet for quite some time, but when she did not listen, he took a ‘rohida’ (a sharp-edged weapon) and hit her with it, said the victim.

After hearing the arguments, Jainwar alleged that the woman, an employee at a local private company, was being impolite to his wife.
